BITS AND PIECES

ASSHOLE OF THE MONTH

Pussy heals all wounds, and pussy is why HUSTLER loves old feminist Gloria Steinem—loves and desires her in the worst way, despite the fact that Gloria is our Asshole of the Month for May 1997.

For many, many years past, Steinem has legitimized her role as fuck doll to a high-placed Republican attorney and to a New York real-estate tycoon by making hurtful claims against HUSTLER and our Publisher, Larry Flynt. We're big enough to forgive and forget and move on to the important thing in life: Gloria Steinem's pussy.

Yes, Gloria, there is a pussy; you're sitting on it, and we want it. Through your pussy, Gloria, we can be friends.

A stranger to modesty, Gloria has defined herself as an activist dedicated to "educating" society.

In 1988, the National Center for Health Statistics reported 67 deaths from anorexia. The Division of Vital Statistics reported 54 such deaths in 1991. Ignoring credible data, Steinem, in her 1992 opus, *Revolution From Within: A Book of Self-Esteem*, educates society that "in this country alone, about 150,000 females die of anorexia each year."

Steinem's rate of exaggeration was clocked at approximately 300,000%.

Try to estimate the fib factor in recent Gloria "teachings" such as "[*Falwell v. Flynt*] is not a very important ruling. It only has to do with the right to parody a public figure."

The right to parody a public figure, Gloria, is only among the most effective means of social activism available to a free press.

"[Larry Flynt] suppresses the right of speech of people who criti-

cize pornography."

If so, Gloria, why do your antiporn rantings remain so markedly unsuppressed?

"[Milos Forman, director of *The People vs. Larry Flynt*] says with pride that he has never opened an issue of HUSTLER."

In truth, Forman says he never purchased a copy of HUSTLER. Could Milos have made a film to be proud of, Gloria, without consulting the source?

"I know what's in HUSTLER."

Sure, Gloria, like you know those 150,000 anorexia fatalities.

"If HUSTLER were about class, they'd be eviscerating rich men."

Jerry Falwell was by no means the first rich man HUSTLER has sliced low, Gloria, and he's a far cry from being the last.

"Larry Flynt's portrayal of women pornographically is a contributing

factor to the terrific danger in which women find themselves walking around our streets."

Your most terrific danger in walking our streets, Gloria, is the risk of stepping in a pile of your own shit.

"[Upon viewing *The People vs. Larry Flynt*] I've never felt so hated in my life. Never."

Use your pussy, Gloria, and turn that hate into love.

Let the pricks of HUSTLER rove across the hollows of your sagging flesh. Thrill with us as we run our tongues along your cottage-cheese thighs. Invite us to open your faded cunt petals with our grubby, dirty fingers. Welcome the burgeoning HUSTLER cocks into your amazingly resilient 63-year-old vaginal pit. Lube your sphincters with PoliGrip and treat your rectum to our hard, deep thrusts of regard.

Take off your glasses, shake back

your hair, open your mouth and luxuriate in the lavish wash of hot semen across your wrinkled face.

Got some in your eye? Here's a tissue. See, we're not so bad once you get to know us.

Is our offer to let bygones be cum sponges a ludicrous, outrageous travesty of free expression?

Of course it is. Being HUSTLER, we can't help ourselves. We should have our heads examined for extending overtures of succor to you, Gloria—you who malign Larry Flynt and HUSTLER at every turn, you who lie and misrepresent images out of context, who misquote and trumpet false statistics.

Advancing your hysterical, selfish agenda, you will even manipulate and exploit a disturbed young woman's pain and dementia.

Are your scorched-twat tactics employed to discredit HUSTLER as a vital organ of inquiry and celebration? To smear Larry Flynt, a man who has done no harm to you nor to anyone you know? Or do you grab attention to further your quest to be seen as more than the miserably failed founder of *Ms.* magazine?

Which is more disturbing: Steinem's lies or our persistent hope to hear her murmur, "Fuck me, HUSTLER, all of you; make me eat your hairy butt cracks"?

Our willingness to gang-bang Gloria upon request, and cork her yap, is an example of our selfless drive to release all women and men from the prattle of irrelevant behavioral fascists.

Gloria's tongue can much better serve humankind by wagging silently up the collective ass of HUSTLER. We'll respect you, Gloria, Asshole that you are, when our shit pellets dangle in your smile.

Fart in the Wind

President Bill Clinton: Filegate, Whitewater, sexual-harassment charges, soft Asian campaign dollars, a scandalous, toe-sucking advisor—all of this we can live with. But when Clinton's Administration

announces that they intend to prosecute any doctors who prescribe or recommend the medical usage of marijuana, as legally authorized by voter mandate in

Arizona and California, then HUSTLER wonders how a President who claims he never inhaled can suck so out loud. Flippy, floppy, slick-belly Willy is a little bit Asshole.

As Fag as He Wanna Be

Dennis Rodman is comfortable with his heterosexuality. When he's on talk shows or, occasionally, playing basketball for the Chicago Bulls, Rodman likes to prove how comfortable. Like the time he attended a book signing in drag. Or the time he donned women's underwear for MTV. Perhaps the Rod Man will become so comfortable with his heterosexuality, he'll forsake his memories of boning Madonna and switch to Carlos Leon, her boyfriend and inseminator. Yes, Dennis Rodman sure is comfortable with his heterosexuality—maybe even on all fours.

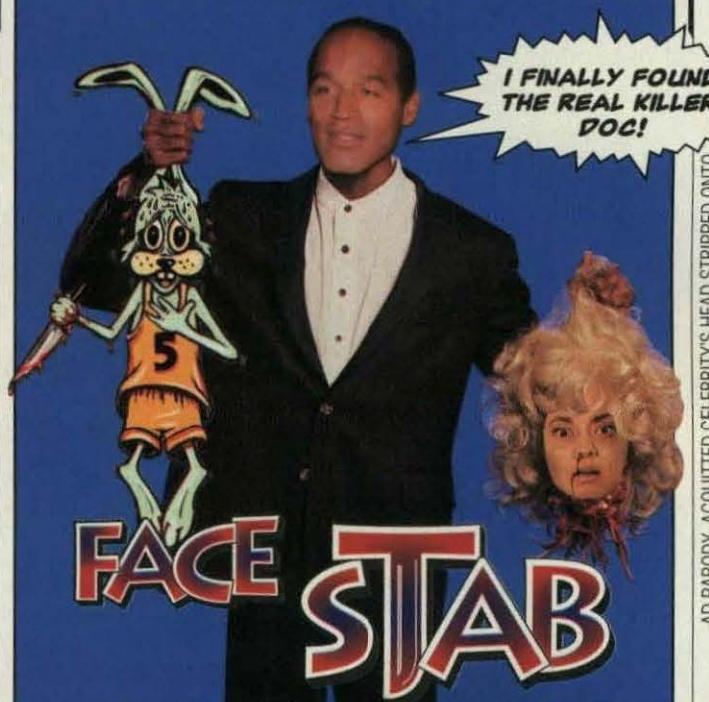

Drive-By Plate Jobs

Racial hostility, lack of affordable health care, and refried bean-related diarrhea are all reasons why life as an illegal immigrant sucks *huevos*. Now career wetbacks, who sell oranges and peanuts at freeway off-ramps, face an even greater threat than

deportation: the drive-by plate job. Cooze-hungry commuters are tossing all their spare change toward a few horny *gringas*, who press snatch to windshield—and offer to Windex the snail tracks for a nominal fee. ¡Ay, *cunt-rumba!*

Cum to Hawaii!

Hawaii. A tropical wonderland of palm trees, pineapples and same-sex marriages. But just because a Honolulu judge overturned the ban on gay betrothals, don't believe Hawaii is all about blowing tiny sperm bubbles with Don Homo. The sun-kissed islands have become a cunt-lick luau.

It's time you took a vacation. Make it Hawaii. And *make it* in Hawaii. Because an island full of dick-starved dykes is an easy place to get *lei'd*.

Boob-Tube Boobs and Network Jerks

Last year, the TV industry became a target for parents who blame their out-of-control brats on everyone else. Then another body of men and women who love to stick

their noses in other people's business—the federal government—demanded a TV ratings system. The results are a confusing mess. Ignore labels such as TV-Y (accept-

able for all ages) and TV-M (for mature viewers), which provide no information about a program's content. Tune in to HUSTLER for ratings that tell it like it is.

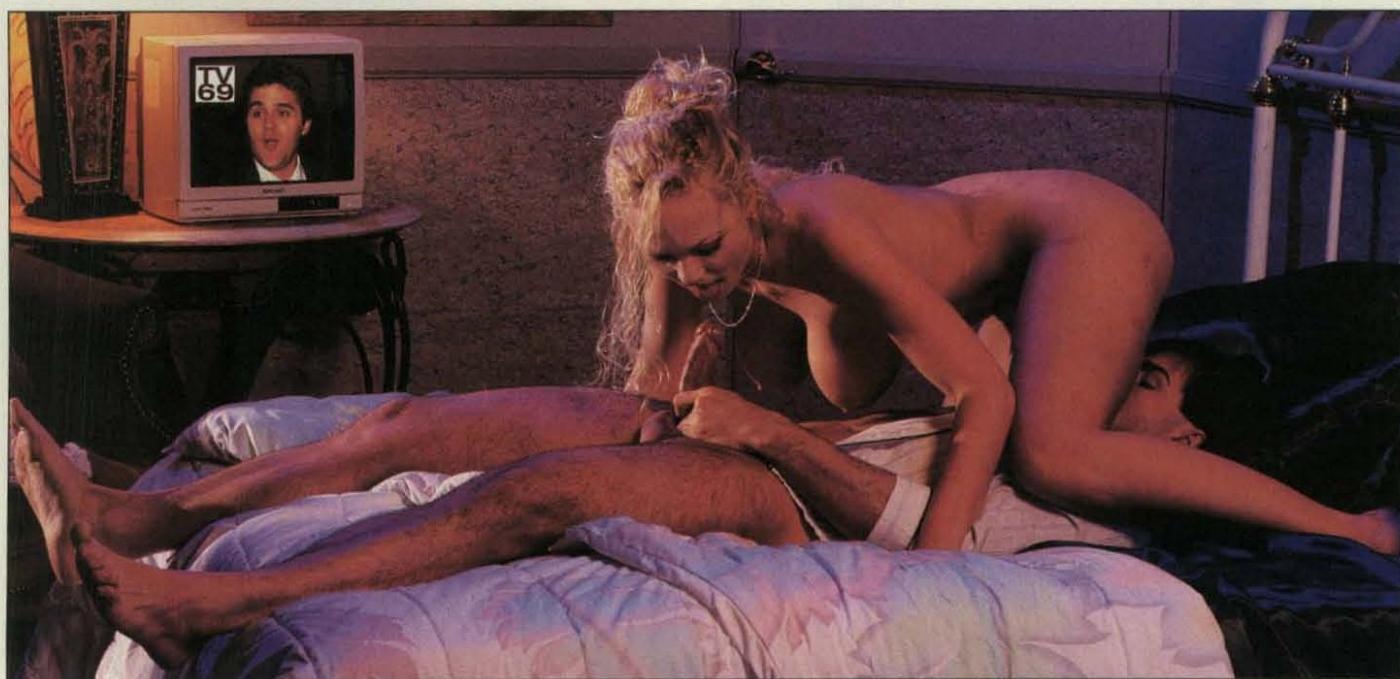

TV-PU

WARNING: On today's Oprah, the host will bend over so far, her cellulite-ridden ass cheeks are visible. Those who have recently eaten are strongly cautioned.

TV-T&A

This show's sole entertainment value is envisioning the stars naked. Horny viewers are advised to grab a Kleenex.

TV-69

The following program is so dull, you're better off fucking your wife.

Part Chinese, part Thai, part white, part black, and all-American success story. That's Tiger Woods.

At the age of 20, the golfing sensation signed more than \$60 million worth of endorsement deals—including a Nike ad campaign that celebrates the hard-won triumph of ethnic diversity.

The Nike corporation knows racial oppression. Nike subcontracts Vietnamese factories, where workers are paid 20¢ an hour to crank out shoes. In one widely reported incident, a Korean supervisor was caught beating her employees with an improperly sewn Nike.

You'd think a part-Asian, part-black guy might not want to be the spokesman for a company that supports Indonesian- and Taiwanese-owned sweatshops in order to better gouge young black kids who can't afford \$100 sneakers.

But then again, you're not Tiger Woods.

Just pay a sweatshop worker 20¢ an hour to do it.

ADOPT-A-CUNT TODAY...

In the United States alone, two million cunts go hungry, homeless and unwashed.

These poor, helpless cunts long to experience the simple amenities most twats take for granted: tampons made of anything other than rolled-up newspaper; pubes trimmed with a Lady Bic instead of a weed whacker; clitoral piercings of surgical steel rather than rusty nail. Even the soft caress of two-ply toilet paper is foreign to those sad cunts for whom survival is a struggle.

...AND THIS PUSSY WON'T NEED TO DOUCHE WITH A GARDEN HOSE TOMORROW.

Never Happen

I can't believe HUSTLER is being outdone. I only buy HUSTLER, but I glance at other magazines on the newsstand while I'm there. What I saw in a recent *Penthouse* blew my mind. I expect HUSTLER to lead the way, not play catch-up. Don't get me wrong. I still think HUSTLER is the best, and it'll be the only magazine I ever buy. I would just like to see what you're covering up. I love seeing the models finally showing their fingers buried in themselves, but since you're not going to show a dick in them, how about showing them with toys buried deep?

—A. R.

New Port Richey, Florida

Actually, A. R., we're a step ahead, as usual. Our March '97 issue features plenty of deep, probing plastic in *Lauren and Ellen: Strap-On Tools*. On the other hand, if you want plastic toy aliens, then we admit, *Penthouse* does lead the way.

Wide-Angle Shot

I am a soldier stationed overseas and am in the field right now. I am a big fan of your magazine. Recently, I became interested in the "Choose Your Cooze '96" contest (*Bits & Pieces*, September '96) between the Texas Tunnel and the Florida Sinkhole. Originally from Florida, and liking the sight of a big gash, I instantly became a fan of the Sinkhole and was happy to see her win as a fellow Floridian. I read in your January '97 issue ("Hail to the Queef," *Bits & Pieces*) that the Sinkhole captured her inaugural insertions on tape for the *Beaver Hunt Video Contest*. I would be very pleased if you could tell me how to get a copy of the video.

—M. M.
U.S. Army

You're right to be proud of your hometown girl, M. M. Our mailbox is stuffed with demands for tape of that championship male box getting stuffed. Her mind-blowing debut, along with all the other contest entries, are currently being reviewed by Mr. Flynt. As soon as he recovers, we'll re-

lease them. For any other aspiring starlets out there, it's not too late to win. See page 108 for details.

Looking Sharp

My wife and I have a complaint. In the Holiday '96 issue with *Dr. Eva and Frank: Sweet Tooth*, you could see him

sticking his tongue into her snatch, her sucking his dick and his dick stuck inside her pussy. Your January '97 issue didn't have any of that. Everything else was great, even the black babe. We just love the oral cum-shots and pussy stuffed with cock. Will we be able to see more of that in future issues?

—M. H.
Ionia, Michigan

You will if you keep your eyes open. In our ongoing mission to push the pink envelope, we sometimes have to slip it in on the sly.

Bi American

Thanks for another great magazine—February '97. *Alexandrea: Watcher in the Woods* was a fine pick for the centerfold. *Bambi: Hot Seat* would be a fantasy for a doggie-style fuck. *Bonnie and Carol: Trigger Happy* can only help spur my fantasy of two women further since my beautiful wife has discovered she's bisexual. Now to help her find a woman for both of us. Keep on being the only mag that keeps the American male happy in both fantasy and laughter.

FEEDBACK

(continued from page 11)

woman in a layout. I have been reading HUSTLER since I was in my early teens. The thing with you having about one black woman a year is fucked up. I know you're saying, *Go read Players*, but most of their black women are fucked. You can see stretch marks and scars from bullet shots in their asses. You all have good-quality black women when you do have them. Don't get me wrong, I love the other women; but represent the variety of life.

—M. S.

Sacramento, California

Upcoming issues will feature a rainbow coalition of multihued flesh, M. S., and none of it will have any gaping, pink gashes, except for the ones that nature intended.

The House of HUSTLER

I am a 24-year-old female and a regular reader of your publication. I feel that HUSTLER is superior to all others in the adult industry. The women are absolutely stunning, and your photographers are the best in the business. Mr. Larry Flynt is my hero! I am writing to

find out what the qualifications are to work for your illustrious publication. I am currently looking into schools for fashion design and merchandising. I would like to know what it takes to be a wardrobe assistant for HUSTLER. It would be a dream to find clothing and assist in styling the beautiful women who grace your pages. I'd consider it an honor to work with such great photographers as Suze Randall, Matti Klatt and Clive McLean. One more thing. Could you tell me if you have any back issues from the '70s available? I'd love to add some to my collection.

—D. G.
York, Pennsylvania

Thanks, D. G. You'd be surprised how few people write in to compliment the clothes our models wear. Classic HUSTLER fashions from the past are available at 1-815-734-1142, or write to P.O. Box 474, Mt. Morris, IL 61054. Lastly, our photographers hire their own stylists, but feel free to send us your portfolio: We just might have a position for a 24-year-old female, even if we don't have a job.

Advice to the Love Lorn

I had a question about Courtney Love. I heard that because she starred in *The*

People vs. Larry Flynt, she was going to have a photo-spread in HUSTLER. Is this true?

—E. L.

Pittsburgh, Pennsylvania

We aren't at liberty to comment on that at this time, E. L., but you can get a look at her tits in the movie. To see Love's Hole, watch MTV with the sound off.

Pump Action

In the November '95 issue of HUSTLER, you published an article on penis enlargement (*A Stroke Above: The Many Methods of Penis Enhancement*). The author mentioned a company called Northwest Pumpworks, in Salem, Oregon. I called the operator, but there was no phone number listed. Could you provide me with that information please?

—A. R.

Fresno, California

Northwest Pumpworks can be reached at 1-503-399-6416. Or you can just buy a subscription to HUSTLER: it's cheaper, and we guarantee your dick will grow.

No Free Speech

In an effort to learn more about the HUSTLER Mag division of LFP Inc., it is my hope to have you send me a complimentary trial subscriber of this monthly issue periodical. This is a second request.

—D. H.

Florida State Prison

The first thing to learn about the HUSTLER Mag division is that we hate trials, even subscriber trials. Remember how you felt when you got busted?

Mighty Hermaphrodite

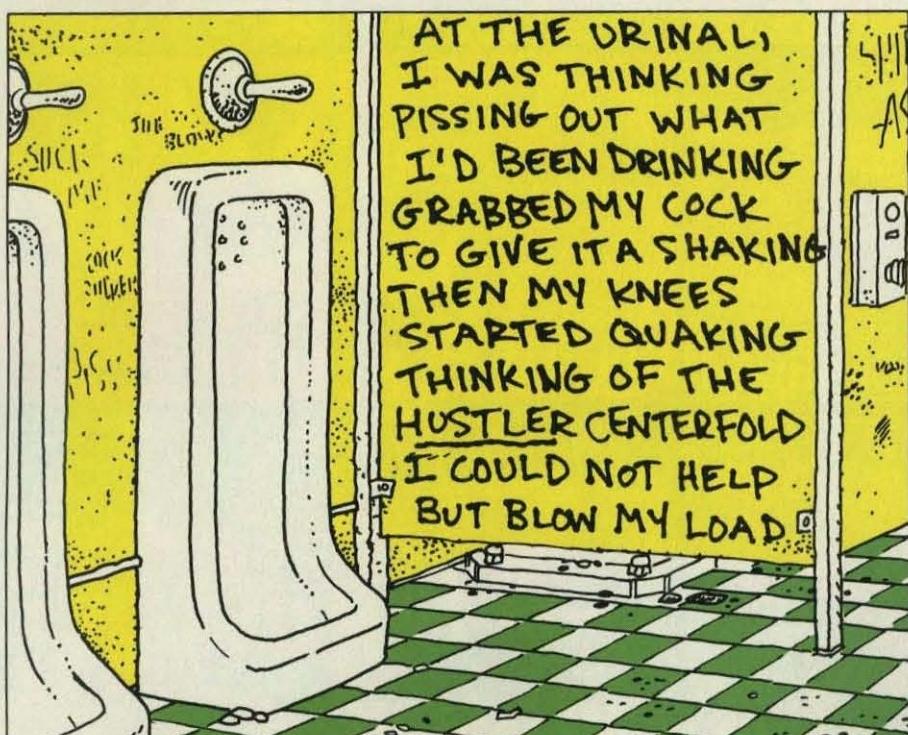

I am writing to you at this time about the transsexual females. Just knowing that they have a dick also turns me on. To me, the transsexual female has the hottest pussy, and I would like to not only find out, but show one that I don't only want to put this ten-inch dick in her, but I would like to see if she can use that dick of hers as well. Please help me with this matter.

—K. M.

Columbia, South Carolina

Why not call Al Goldstein if you want a hairy cunt with big tits and a shriveled, useless prick?

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a phone number if you want your letter considered for publication.

PINK TIDE

ERIN & LISA

PHOTOGRAPHY BY JAMES BAES

Once a year, as the legend goes, the waters around here are alleged to have certain aphrodisiacal qualities. This year, Erin and Lisa were lucky enough to get caught in a hot pool of the "Pink Tide." Almost unconsciously, they drift closer to each other. Fingers and tongues explore formerly forbidden regions. Words aren't necessary. They both know what to do.

The waves gently lap Lisa's feet as Erin gently laps a more rewarding spot. Even as the tide ebbs, the girls' juices flow unabated throughout the evening.

Exotic entertainment

EDITED BY EVAN WRIGHT

SHOOTING GALLERY: Renee, Missy and Knee gang-munch Mynx's muff.

SHOOTING GALLERY: Hatcher and Mickey G. maul Missy.

SHOOTING GALLERY: Cinderella and Janai gnaw Hatcher's bone.

Shooting Gallery

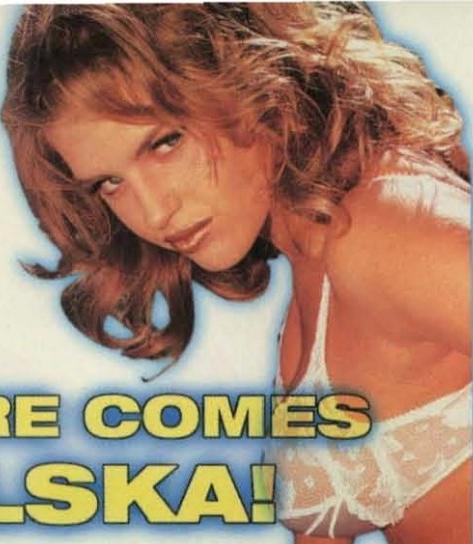

TOTALLY LIMP

Directed by Robert Black; starring Missy, Devon Shore, Tiffany Mynx, Cort Knee, Mickey G., Little Cinderella, Janai, Nicole London, Ashley Renee, Steve Hatcher, Dave Hardman and uncredited. Videocassette: Elegant Angel.

Shooting Gallery is a must-see for anyone wondering what depths adult entertainment can sink to. Passing itself as an antidrug film, *Shooting Gallery* is about stacked skanks who take dope and get the shit fucked out of them. Two junkie ginches, pale and greasy, suck snatch while their sweaty loins are hawked with loogies by a grimacing, long-hair goon. The blonde gets butt-fucked; the brunette gets four of the goon's fingers up her clam. Cort Knee plays a pot-smoking whore thrown facedown into a garbage can, ass-reamed and DP'd. After two slobs dunk Devon Shore's head in the toilet and plow her turd canal, they gag her with a roll of toilet paper. Can it get any lower? It certainly does. In the next scene, a couple of creeps find a partied-out bitch in a Dumpster and slap and schtup their way through her face, cunt and asshole. Strung-out lezzies cat fight; a bruised-ass blonde gets choked and whipped throughout her double penetration. The levels of moronic brutality and gratuitous sadism achieved in *Shooting Gallery* earn it a *Totally Limp*—a rating that should not deter more perverted fist-fuckers seeking one of the filthiest films of the year.

HERE COMES ELSKA!

Viking Slut Invades America,
Vows, "I want to suck your dick!"

Elska has come to conquer America—
can porn.

This past winter, San Diego-based adult-film manufacturer Xplor Media set the XXX industry abuzz when it unveiled a powerful new secret weapon in its battle for adult-video supremacy: Elska. A she Viking from Norway, Elska is touted as the next porn superstar, who, her

backers hope, will surpass such domestic rivals as Jenna Jameson.

With natural-blond hair, blue eyes and an authentic 34-D chest, 20-year-old Elska is blessed with the bounty of Valhalla.

"I came to America, *ja*," she explains in a Scandinavian-accented voice, "to pursue the great American dream."

Anchoring on American shores, Elska found work as a nanny. She entered an amateur video-modeling contest, and her American dream soon became hard-core reality.

Since the release of *Here Comes Elska*, Elska has been forced to answer speculation that her whale-size whoppers are the result of Norway's peculiar dietary habits.

"In Norway, *ja*, we love to kill the whales," she boasts unapologetically. "Whale meat is so tasty, when you are finished, you want it again."

"I feel the same way about sex. To my new fans, I say, *Jej vil ha sugie tissi!* I want to suck your dick!"

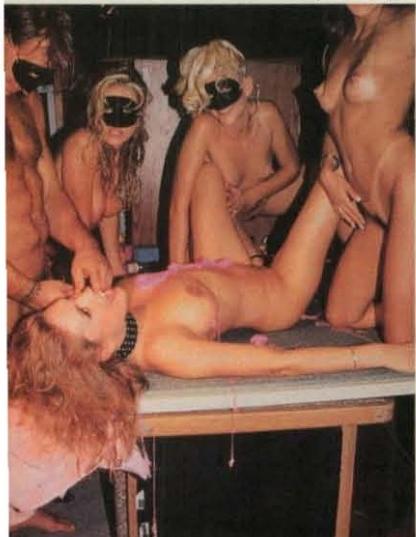

The north wind blows strong. Elska is coming.

To order *Here Comes Elska* or learn about her fan club, Xplor Media may be reached at 1-800-544-8144 or at www.xplormedia.com

Dynasty's Anal Brat Pack

HALF
ERECT

Directed by Jay Stone; starring Dynasty, Nancy Vee, Nikki, Tanzi, and Dru Berrymore. Videocassette: Outlaw Productions.

The audio quality of *Dynasty's Anal Brat Pack* is so good, the viewer can hear and enjoy the insistent barking of a neighbor's dog in virtually every lesbolicious scene of this apartment-complex opus. That dog has good reason to howl when 19-year-old Nikki slinks onscreen for her purportedly virginal step into the world of sapphic succor. A tawny redhead blessed with an aquiline nose and two high-floating scoops of creamy mam, luminous young Nikki beams through the tape's washed-out picture quality as she accepts all manner of vaginal and anal probing from her more mature rug-munching mentor, Dynasty. The unseen dog's rough bark for Nikki is anesthetized into a simmering growl by the repetitive scenes that follow: Platinum-haired Dynasty pulls her lick-and-stick routine on a series of overwhelming chicks that, to their credit, happily inanilate any plastic gizmo poked in their pucker. The *Anal Brat Pack* isn't really worth a good bone, but little Nikki is nothing to piss on.

—Richard Crenshaw

Hillybilly Honeyes

HALF
ERECT

Directed by Jace Rocker; starring Tatiana, Alexandra Silk, Serenity, Stacy Valentine, Little Cinderella, Peter North, Alex Sanders, Mitchell Gant, Jonathan Morgan and Steve Hatcher. Videocassette: Wicked Pictures.

Robo-cock Peter North descends on Cornhole County to make peace among feuding hicks in *Hillybilly Honeyes*. There's a shack full of syrupy blondes who are supposed to look like illiterate rubes, but seem pretty much like

regular porn chicks. North pokes Stacy Valentine and leaves her doll face slathered with liquid keepsake. Steve Hatcher poopers Little Cinderella and makes a deposit to her chin. Alex Sanders and Mitchell Gant double up on Alexandra Silk and rush to the inevitable messy conclusion on her mouth. There's an outdoor girl grope and North's anal climax with Tatiana, who, possibly because of her dark, exotic features, plays the squaw. *Hillybilly Honeyes* is proof there's nothing new or especially funny going on in Cornhole County. —W.G.

Jinx

HALF
ERECT

Directed by F.J. Lincoln; starring Jenna Jameson, Roxanne Hall, Julie Rage, Nico Treasures, Caressa Savage, Jacklyn Lick, Colt Steele, John Decker and Alex Sanders. Videocassette: VCA.

Jinx tells the story of two players that are born to lose. Jenna Jameson is a streetwalker with a half-smart, white pimp. She hates the game, but crawls on her knees through a crowded bar to suck Daddy and smear his gummy knot across her baby-doll face. Colt Steele is a gambler on a black streak. Between sucker bets, he flips his ace into Jacklyn Lick, then plays craps between the ass cheeks of Julie Rage. Newcomer Lick is the nag that comes in for him: A long-legged, silky brunette, Lick sports late-model fake jugs that stand up firm, but shake like a pair of dice as Steele works his schween in and out of her slickened honey hole. Jenna likes Colt, but is afraid his moral compass might interfere with the direction of her self-degradation. To get back her moorings, she turns a grudge trick with a hooker buddy, tag-teaming a rock-hard bone and gurgling its spew from her tiny, pillow-lipped mouth. Satisfied that his bottom whore is back in the fold, Jenna's pimp gives some time to Roxanne Hall, swiping his swipe straight into her rosy bung, skipping past the pink. *Jinx* will give hand humpers a few hot rolls, but this flick won't change anybody's luck. —R.C.

HOT WIRED: Tom Byron covered in Kaitlyn Ashley.

JINX: Steele prongs Jacklyn Lick.

Hot Wired

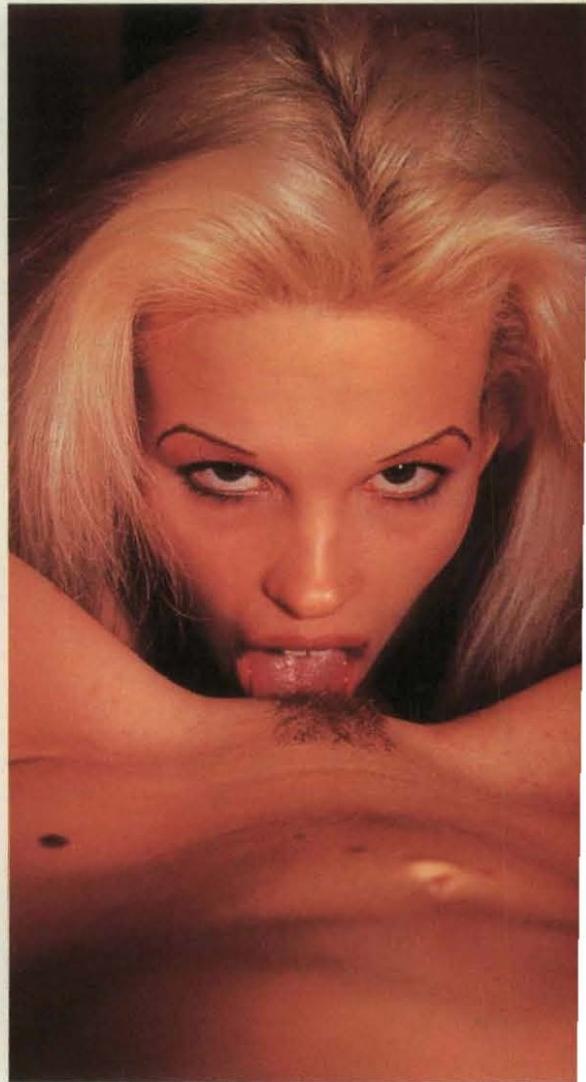

Directed by Decadent D.; starring Tatiana, Kaitlyn Ashley, Johnni Black, Celine Deavoux, Dalny Marga, Peter North, Tom Byron, Shawn Ricks and Bret Singer. Videocassette: VCA.

In *Hot Wired*, Johnni Black is the ball-busting, female CEO of a fledgling cable company looking for quality pornographic programming. Peter North is her main whipping boy. Black browbeats the sniveling pud out of his double-breasted and beats his bone into an angry throbber that she thrusts into her hungry craw. Shedding her power duds, Black discloses her too-tan, Florida-hausfrau physique and an all-business quim whose tight little lips look strong enough to pinch off a foolishly intrepid schlong. Undaunted, North goes in and out of the grabbing maw until he spouts the voluminous liquid revenge of an angry, white-collar male all over Black's once-haughty mug. With office power dynamics out of the way, fellow employees Shawn Ricks and Tatiana feel free to copulate on the boss's desk. The beefy mook slips honkie salami into the beautiful Eurasian's trim Hello Kitty cooze. Any gooey dividends reaped from *Hot Wired* should definitely be considered a steal.

—R. C.

HILLYBILLY HONEY: Sanders and Gant split Silk.

DYNASTY'S ANAL BRAT PACK: Dynasty tastes Tanzi's fuzzy side.

CHRISTI LAKE
CORPUS CHRISTI, TEXAS

CHRISTI LAKE BUSTED IN TEXAS FOR "PROMOTION OF OBSCENITY"

Free Speech Coalition Speechless

"I am not going to take this lying on my back," warns Christi Lake, the XXX siren best known for taking it on her back in the blistering anal performances that have earned her thundering one-handed ovations from fans across all regions of the nation, including Texas.

It was in Corpus Christi, Texas, last November 14, that Lake was arrested at an adult-video store while making a nude personal appearance.

According to Lake, eight of Corpus Christi's finest raided the Adult Video Store to extend an unconditional invitation of free room and board at the Nueces

County felons hospitality center. The officers were professional and courteous, and her arrest did not include the customary strip-search.

"They didn't have to," Lake explains. "I wasn't wearing any clothes when they busted me."

Though Lake was released the next day after posting bail, Texas law enforcement kept a close eye on her movements.

"I did a topless show at Tiffany's, near San Antonio, that weekend. They had four officers staking out the stage where I did my dance. They didn't try to arrest me again. They just watched."

The "promotion of obscenity" charge is based on her attempts to promote the sale of four relatively humdrum XXX tapes (one of them, *Directors' Wet Dreams*, is reviewed here this month). Branding these tapes "obscene" is a butt reaming Lake vows to fight.

A dues-paying member of the Free Speech Coalition, the adult industry's self-styled protector of First Amendment rights, Lake was shocked to learn that Free Speech Coalition attorneys had no interest in defending her.

"I'm actually on the back of the Free Speech Coalition calendar that Bill Margold sells to raise money for the cause," Lake fumes. "But when I went to them for help, they said they were too busy fund-raising to handle my case. What did they do with the fund-raising they already got from me?"

Lake is beginning to get that all too familiar sensation of a double anal penetration—perpetrated by law enforcement in Texas and her erstwhile Free Speech Coalition cohorts in L.A.

Jeffrey J. Douglas, a Free Speech Coalition attorney, responds, "There are a dozen more people in the adult industry with legal problems like Christi Lake's or worse. We don't have the funds to defend people like her because the people with money in adult—manufacturers and sellers—don't contribute enough."

Felonious fellatio.

Outlaw butt boning.

Tight Spot

THREE-QUARTERS ERECT

Directed by Robert McCallum; starring Shanna McCullough, Farrah, Nikki Sinn, Gabriella Gotti, Fallon, Missy, Mickey, Mike Horner, Tony Martino and John Decker. Videocassette: Western Visuals. Shot on film.

Tight Spot is about a guy looking for his wife in Mexico and other convoluted matters we lose interest in the moment fuck doll Farrah hauls out humongous silicone dumb-dumbs and whispers, "I'm wet." Some lucky fucker glides his dick past her turd rings, and Farrah shows off her blonde-obedience training by kneeling so his spunk globs her smile evenly. Fast-forward past the guys in suits drinking wine and stop on a goateed mother-fucker tongue-surfing two twats. Missy sucks his load onto her chin, and, after more plot twists, there's Mike Horner in a hotel, squeezing handfuls of Shanna McCullough's rump, porking her from the rear. Just like a regular cunt, Gabriella Gotti hangs out in a store with nothing on but the wind blowing through her clam as she waits for a stranger to come in and slam her from a variety of standing positions. The plot thickens. Some hole blows a dude, then falls off a boat; Nikki Sinn gets fudge-packed in a motel; McCullough masticates a stiffie on a beach and rides topless into the sunset. The plot may be impossible, but getting a grip on *Tight Spot* isn't. —M. A.

electrical appurtenances, such as a remote-control vibrating egg and a wagging artificial tongue used for auto-cunnilingus. Between long stretches of explanatory patter, one of the chicks takes a quick stab at herself with a bulbous appliance, then gives a gushing rave. Eventually, the shapely shills are lured from their pleasure chest by the fleshy schtupperware that comes attached to other human beings. A buzz-cut blonde bends for prong in poon and bung, getting slop in her ass crack; Shonna Lynn is the dark-meat slice in a sandwich fuck before her wobbly legs are dolloped with man mayo; and two blondes get strapped-on in a Jacuzzi as a wanking schween goes nuts all over their faces. The sex-toy song and dance concludes with a multi-clam dildo stuffing, followed by a doggy bang in triplicate. *House Party #3* makes a good final pitch, but the preceding 90 minutes hold no money-shot guarantees.

Hot Tight Asses #17

THREE-QUARTERS ERECT

Directed by Michael Carpenter; starring Sahara Sands, Papillon, Stephanie DuValle, Kimberly Kummings, Peter North, Teddi Barrett, Sofia Ferrari, Alexandra Silk, Mercedes, T. T. Boy, Dave Hardman, Vince Vouyer, Jake Steed and Mike Albo. Videocassette: TCKS Entertainment.

Sophia Ferrari has a big, big ass. When she is valiantly fucked from behind, each thrust of cock triggers a wobbly wave of flesh that ripples up to her narrow waist and spreads across her broad hips in appealing fashion. Turn Sophia over on that big, big ass and watch a second version of that prong-induced ripple ramble across her big, big tits. Sophia's big ass is real. Her big tits aren't, but they might as well be. The racy Italian import's olive-capped, saltwater knockers bubble all over her chest like boiling gnocchi as Jake Steed plumbs deep in her bowels with his rearing horse cock. Within the same wide-frame shot, hip and pretty Papillon, tattooed, pierced and naturally stacked, absorbs a

House Party #3

ONE-QUARTER ERECT

Directed by Veronica Hart; starring Janine Lee, Shonna Lynn, Christi Lake, Claudio, John Decker and Mitchell Gant. Videocassette: VCA Platinum Plus.

More concerned with product placement than the placement of gonadal product on pussy, ass and pie hole, *House Party #3* serves as an extended infomercial for Adam and Eve sexual aids. A cheerful cast of professional squacks giddily inventories a coffee-table spread of lubes, dildos and various

EUROSLOTS 3: Anton and Mephisto piling into Roxanne.

primitive sphincter reaming at the grubby hands of fuckopath T. T. Boy. Both brunettes earn cream rewards on their kissers for the trouble. *Hot Tight Asses* #17 features five more flesh-jostling scenes boasting material so strokable that even the thudding one-liners of the hackneyed "Kinky Cam" won't earn this tape the hook.

—R.C.

Ed Power's Lollipop Shoppe

Directed by Luc Wilder; starring Lexi Eriksson, Stephanie Swift, Shawn E., Tatiana, Little Cinderella, Micky Lynn, Papillon, Tom Byron, Bret Singer, Colt Steele, Vince Voyer and David Stone. Videocassette: Sin City.

What a magical happyland it is where fresh-blossomed girls with perky, upturned breasts and hairless, pink snizzles are also dick-gulping hootchies who dig three-way bonings and extreme acts of lesbianism. *Lollipop Shoppe* presents such a world, populated with such pixies as Micky Lynn, a milkmaid blonde, and her Asiatic sidekick, Papillon. They start the shenanigans by gobbling muff pies and team-licking Colt Steele's shaft. Papillon, her cunt whimsically decorated with a butterfly tattoo and labial piercings, gyrates into Steele's meat pop, and both girls suck out cream filling; three twists hook up in a locker room and do the splits on one another's faces before playing a vigorous game of pin the dildo in the nookie; Stephanie Swift shares her slit with two dudes who

make a gloppy mess on her pout; three peckerwoods tag-team Lexi Eriksson; and Papillon and Lynn close giggling with spunk running from their noses to their snizzles. *Lollipop Shoppe* is a good place to pop.

—W.G.

Frank Thring's Double Penetration Eurosluts 3

Directed by Frank Thring; starring Olivia, Monika, Edina, Roxanne Hall, Anton, Mephisto and Valentino. Videocassette: Xplor Media.

Double Penetration Eurosluts 3 follows a simple formula: one Euroslab plus one Euroslab equals one skank with a dick in her butt-hole and twat. A couple of wimps with lispy foreign accents stuff holes on a latex-encased blonde and splat on her expressionless mug; a toothy, raven-haired bimbo in gold go-go boots gets her booty crammed by two balding guys; for variation's sake, a blonde with fake tits gets DP'd by a brunette with fake phalluses; and Roxanne shows up for a balcony boffing, ending with a double-barrel blast to her Goldilocks face. The camera keeps veering away from Hall to focus on some boats below on the water, but before this defect of lensmanship becomes too infuriating, *Eurosluts* ends, leaving any jackoff still watching with a handful of pissed-off pud.

A.

Ben Dover's Royal Ass Force

HALF ERECT

Directed by Steve Perry; starring Nici Sterling, Mandy, Mary, Ben Dover, Wilde Oscar, Ian, and Super Mario. Videocassette: VCA.

Into the oft-assailed, douche-drenched annals of female ejaculation enters the name Nici Sterling, limey strumpet and latest avatar of the rain-woman phenomenon. Hard-bodied Sterling spouts her stuff in the

most controversial moment of *Royal Ass Force*, a four-scene knockoff knocked out by enthusiastic Brit bologna-beater Ben Dover. Diddled to a writhing frenzy by the schnoodling fingers of hubby Wilde Oscar, Nici's pre-orgasmic shrieks send Dover scurrying for a green-hued martini glass that Oscar positions just below the yawning cunt mouth of his betrothed. At the point of screeching climax, Nici's nookie hole shoots several squirts of scummy liquid, some of which spill into the glass to form what looks like a muddy whiskey sour. Considering that these dirty squirts defy the functional possibilities of the female anatomy, the cum in question might in fact be a whiskey sour. Is the stunt legit? The Ass Force doesn't much care, as two grunts proceed quickly to plug the leaky twat and its neighboring ass pipe with cock meat, then chum on face and buns. The tape also features the anal defiling of two stocking-clad, tartan-skirted, colt-legged lasses, followed by a three-dick romp through an older blonde's haunches. This *RAF* might serve well for a few bombed Britons, but it's only half good for a Yank. —R. C.

CHILI CON CARNAL

What's the hottest thing you've ever had in your mouth? I'll bet my wife, Bo Ann, has got something hotter. She's scheming to become the Chili-Cook-Off Queen of the Fayette County Fair. This year, Bo Ann really outdid herself with a garlic jalapeno sauce that had some of Kentucky's toughest good old boys crying like girls. A great cook, big tits and able to reassemble a Ford engine blindfolded—hell, I may just stay married to Bo Ann for another 12 years.

Every once in a while, however, I get a hankering for something spicier in the boudoir area. I'm not talking about a pair of handcuffs or some corponate fantasy scenario. I mean a six-foot blonde in cut-off jeans that ride so high up the crack of her perfect ass, she might as well have shown up at the fairgrounds without a stitch of clothing. There she was, bent over the pen of a prize-winning pig, her hooters looming out of a dental-floss halter top and into that lucky porker's smiling face.

This tan, stacked sexpot was raising rods at every booth she sauntered past, stopping for the occasional meaty mouthful—of chili, that is. The object of my lustful affections wiggled her way toward the booth where I stood shilling four-alarm slop. Desperate for some time with the newfound love of my loins, I ordered Bo Ann down to the market for six cans of kidney beans. She obeyed without a whit of back talk. Sometimes I really love my wife.

"Gawddamn," drawled the Southern-fried Pam Anderson clone whom I hoped to nail three ways to Thursday. "Y'all's

chili is black!" She swooned over the pot. I knew the down-home slut was boiling up a whole different kind of stew in her Daisy Dukes. Chili can be quite an aphrodisiac, as long as it doesn't start making too much noise at the back end. Frankly, I didn't care what escaped the buxom bimbo's tailpipe; I planned to have any eruptions stopped up with my eight-inch, all-beef butt plug.

"This is no ordinary recipe," I purred, sidling around the front of the booth to feed her like a big-chested baby. Her luscious lips parted as I drizzled the garlic jalapeno elixir onto her lascivious tongue. She sucked off every last drop and shook from head to toe as the volcanic taste shot through her hot body. Her booty quivered against the protruding post in my jeans. The surprise on her face quickly melted into a leer of the horniest proportions.

"You look familiar," she said suspiciously. "Are we kin?"

I laughed uproariously and took my pussy prey by the hand, leading her to a secluded storage room just off the midway. Even if the two of us had been blood relations, there's not a jury in Kentucky that would convict me for jumping all over that sweet poontang. As long as I could finish up before Bo Ann returned to a CLOSED sign on the booth, I'd get off like O. J. You can understand why I skimped on foreplay and ripped off my fuckmate's clothes before laying her on the floor.

"I don't even know your name," she yowled, all the while pulling down my pants and freeing my veiny python.

"Joe Donald," I sighed, sliding a few fingers over her soft, sticky labes. Her hips gyrated in responsive ecstasy.

"Well, now," she gasped. "I'm Jesse. That means we ain't strangers." Jesse plunged her big mouth onto my manhood, swallowing half the length in one gulp. She fondled my pendulous balls with one tickling hand and wrapped the other around the base of my cock. Too bad the fair wasn't giving out ribbons for fellatio; Jesse's technique would impress any judge.

"Suck it a little faster," I groaned, reaching between her thighs to offer some digital incentive. She was sopping wet, the way Bo Ann used to get before the change of

life. With a few gentle strokes applied to her throbbing clitoris, Jesse was sliding my dong in and out of her throat at a ball-blasting rate. I let my hands wander up to her freed and flopping jugs. The nipples immediately stood at attention, and soft moans escaped Jesse's cock-crammed gullet.

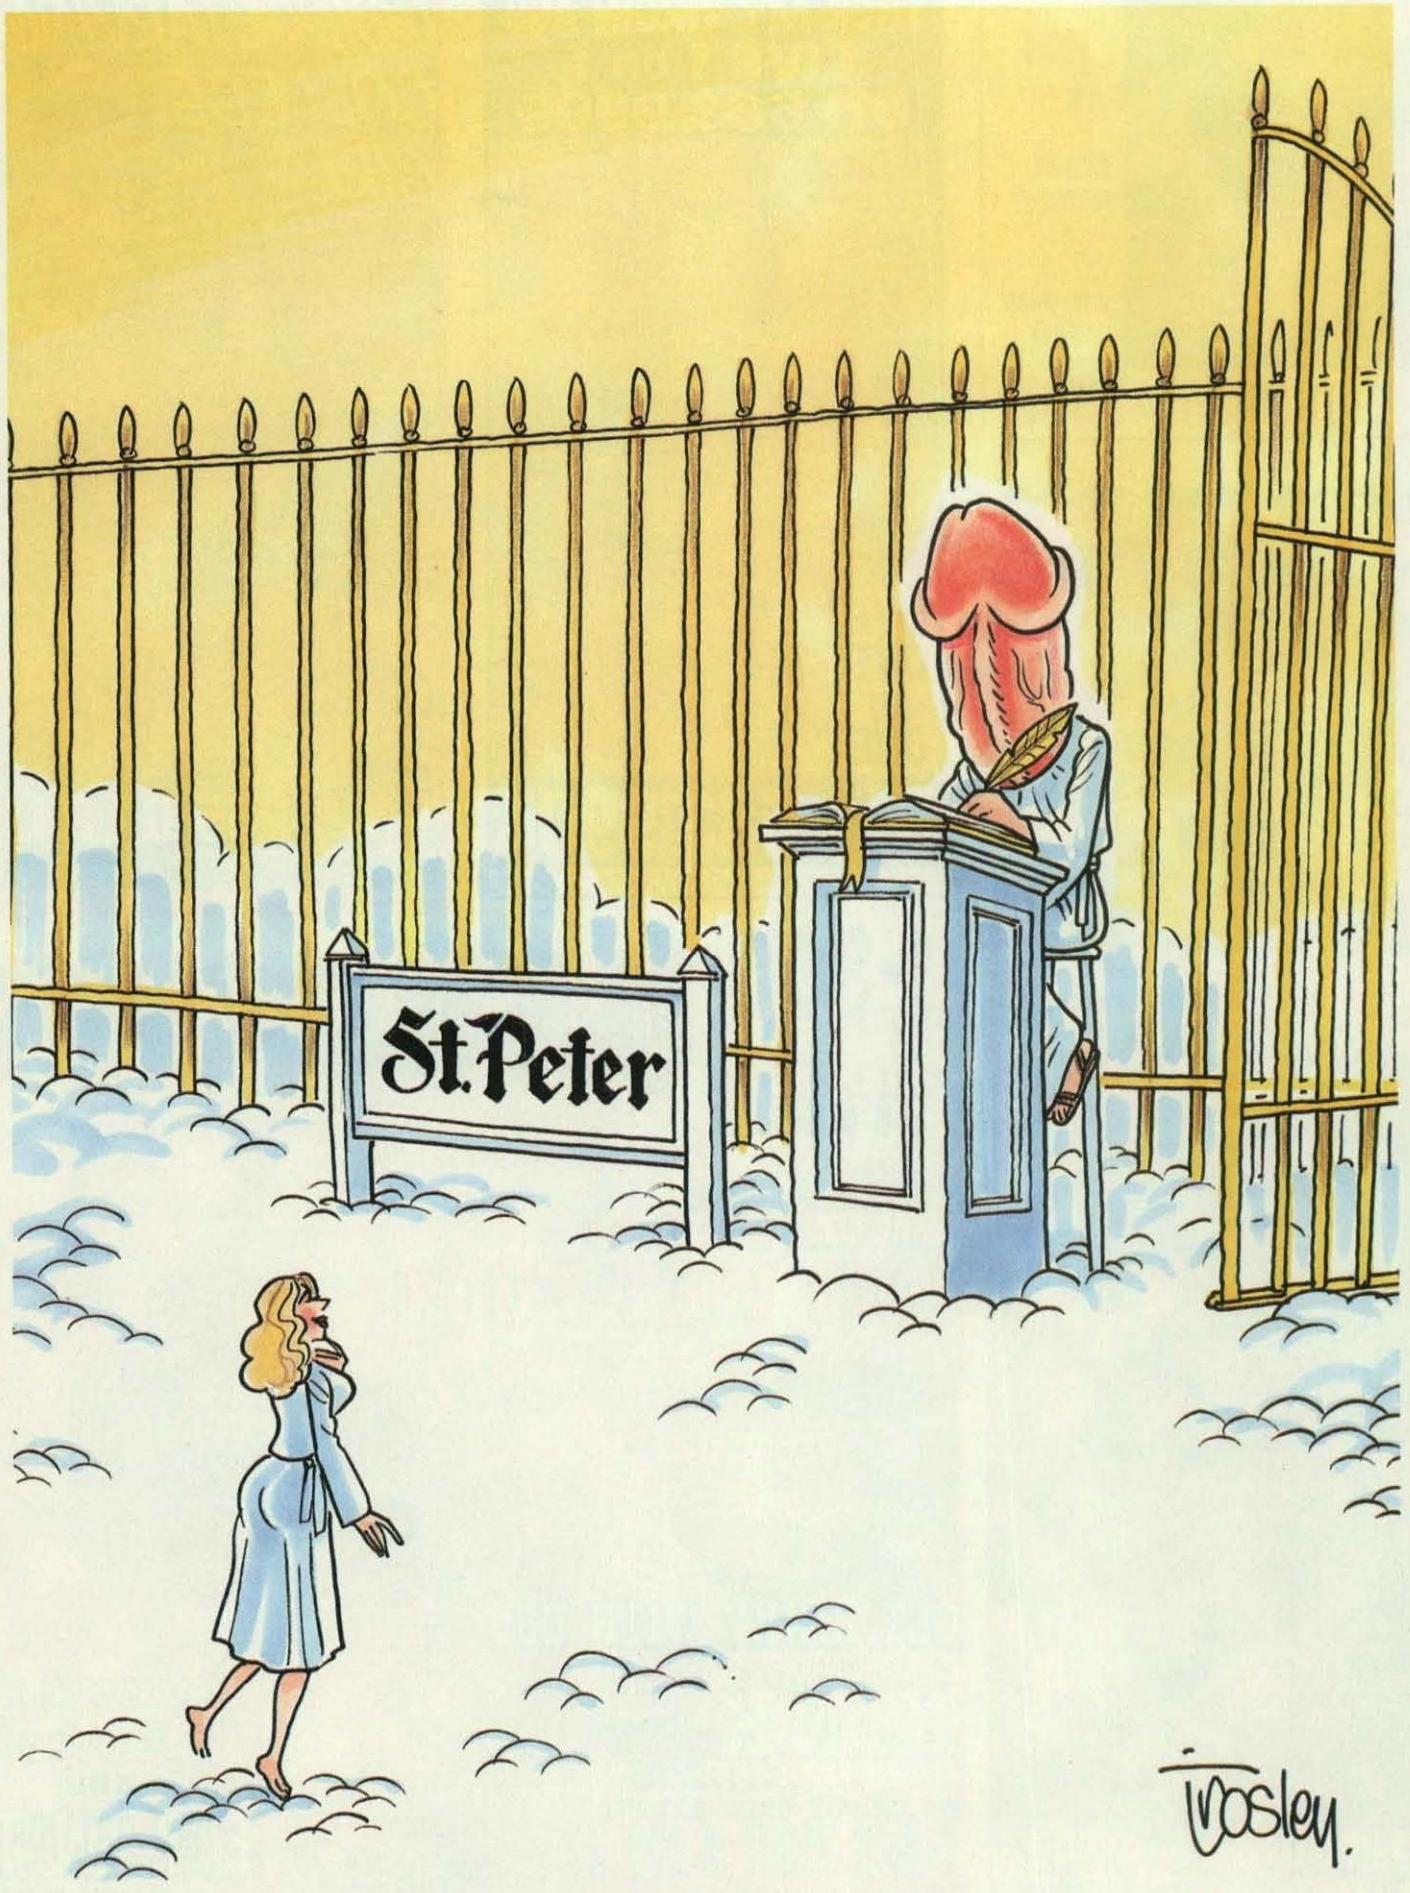

Jesse begged me to show her cunt a heap of Southern hospitality. I flipped her lithe body into an all-fours position and mounted her like a junkyard dog. The tip of my plank danced across Jesse's pussy lips as my hands groped her pendulous knockers. Jesse couldn't wait another minute to feel my girth inside. She grabbed my pecker in a steely grasp and forced the shaft into the searing heat of her vage. Jesus H. Christ, was she aggressive! She shook her ass and bounced off my lap with such fervor, all I had to do was lean back and enjoy the ride. The fleshy walls enveloped me to the hilt in a blissful rhythm.

"Oh, shit," she screeched, panting up a

storm. "It's so fucking deep! I can feel it in my belly!" Jesse moved my hands from mashing her mams to her well-toned stomach. I'll admit, Bo Ann is no hard body; the touch of velvety-smooth skin, unmarred by stretch marks, was a welcome change. Jesse's ass was another miracle of cellulite-free construction, all rubber and muscle. I took hold of those cheeks and pounded away at her cunny like a prick possessed.

Hot Letters

"Suck it dry, baby," I pleaded. Jesse swooped down and took the last few pasty blasts in her wide-open mouth. Then she swallowed me whole and siphoned away each stray, salty pearl.

Fucking Jesse harder drove her to new heights of caterwauling, trembling ecstasy. She was grunting and growling between these long, sliding moans—the kind that start out a squeal and wind up three octaves lower. Unfortunately, increased passion made her a little careless. In a desperate attempt to levy herself against the brunt of my penile assault, Jesse flailed out at the shelves lining the storage room. Countless mason jars, filled with peeled tomatoes, came crashing down around us. One of the jars hit Jesse in the head; amazingly, the sexed-up vixen was so fuck-drunk, she didn't even notice.

The two of us were sliding around in a dangerous mess of broken glass and tomato goo. Jesse wouldn't stop pistonning our privates for even a second, leaving me to do most of the maneuvering away from those glistening shards. That's not easy when you're banging a blond nymphomaniac from behind. I'd throw out a hand here or place a foot there to keep our balance; each adjustment stepped up the pitch of Jesse's squeals. She must have thought I was a walking, fucking Kama Sutra!

My weiner tingled with every involuntary spasm of Jesse's drubbed and dripping cunny. Although it may not have been easy to keep a grip on her slippery bod, staying inside Jesse's vise-like vage was a cock-coddling dream come true. Every so often I'd force her legs apart wider and frig her clit between two fingers. The rigid nubbin palpably pulsated; each throb coincided with the rhythmic pounding of our blood-engorged groins.

Jesse and I eventually landed in a missionary position, our naked bodies covered in tomato sauce and writhing with pleasure. The sticky, red pulp dripped out of Jesse's golden mane, which was matted to her scalp in the sexiest manner imaginable. A squishing sound accompanied my every thrust; it was hard to tell if the tomatoes were responsible for the goopy noise, or the gushing state of Jesse's climax.

"I'm coming," she howled. "Hell, yeah, I'm coming!" Jesse clawed my back and thrashed against my rigidity. Unable to hold out any longer, I withdrew, my nozzle already spraying sperm all over Jesse's marinara mound.

"Suck it dry, baby," I pleaded. Jesse swooped down and took the last few pasty blasts in her wide-open mouth. Then she swallowed me whole and siphoned away each stray, salty pearl. Somehow I even had a little splooge left over to smear all over Jesse's chipmunk cheeks with the tip of my dick. She smiled appreciatively, running her lascivious tongue over a beaming row

of perfectly white choppers. I decided that the next time Jesse and I got together, I'd have to treat her to a whole new kind of toothpaste. For the moment, I had a chili stand to attend.

You can probably guess that I looked pretty ragged when I got back to the cook-off. My full-body glaze of viscous, red glop was bad; the way I came in my jeans an hour later while thinking about Jesse was worse. Bo Ann, however, didn't say a word. She just smiled, cooked up another pot of chili and kept her eyes on the top prize. My wife.... I think I'll fuck the shit out of her tonight.

NUTS TO YOU

I've only been laid once since they released me from the State Hospital. I wasn't crazy or anything. I just needed a rest. I feel better now. But I sure am horny. I had a few magazines for a while, but Mama found them and got mad. She said if Papa was still around, he would have kicked my pervert ass right back to the hospital. As punishment, I had to sleep in my own bed that night.

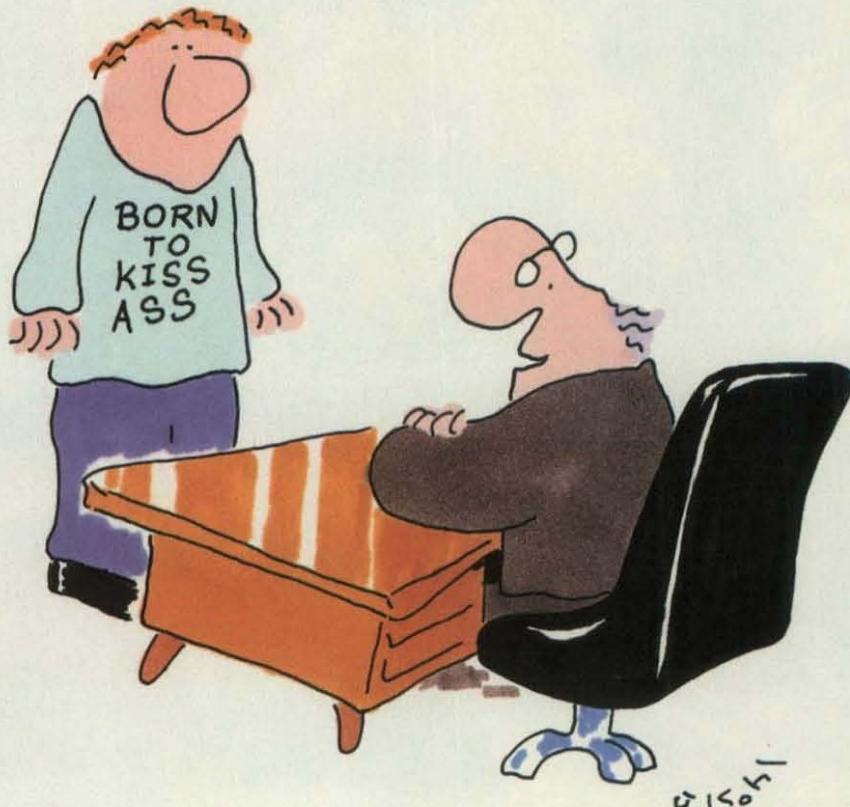

A few days ago I was at the video arcade. It was real busy, seeing as the local high school just let out. I tend to get ner-

vous in crowds; so I went outside to stare through the window. The problem was, I'd stare for a few minutes, and then the glass would get all fogged up. Pretty soon I couldn't see all the boys and girls. I sure was frustrated.

Somebody across the street started hollering my name. Usually that's just in my head, and I ignore it. This was different. This was Elizabeth, from the Nervous Ward. That's what they called it, the Nervous Ward, because those people didn't get drugs like the rest of us. All that screaming used to keep me up at night, and I'd get angry at the Nervous Ward people. But I was real happy to see Elizabeth standing by that Dumpster and waving.

She was wearing a Save-Lots paper bag for a dress. That struck me funny. Once in a while, she'd flash her privates at me. Elizabeth's pussy was tender-looking, with nice, fluffy, auburn hairs, the same color as the long, silky strands on her head. The lips hung low and were more purple than pink. Her eyebrows were knitted together, and underneath, she had two of the darkest eyes you've ever seen. Elizabeth would point at me, make her fist into a circle and bob her mouth over it. I'd seen enough interns at the hospital make that gesture to know that it meant, "Suck my cock." I happily

Nobody Ever Complained About a
Wet Pussy Fart

A HUSTLER Primer of Pussy Fart Poetry
Vaginal Verses by Pussy Brythe Smelley

Happiness Is a Warm Pussy Fart

A gust of womb wind whispers

'pon my brow,

A jar of KY, a ball of Ben-wa,

and thou;

Beside me queefing in the

winter's chill—

Loose lips that moo and bray,

my cunny cow!

A Pussy Fart Means Never Having to Say You're Sorry You Farted

Brine squirts in my mouth

And gleet drips in your eye;

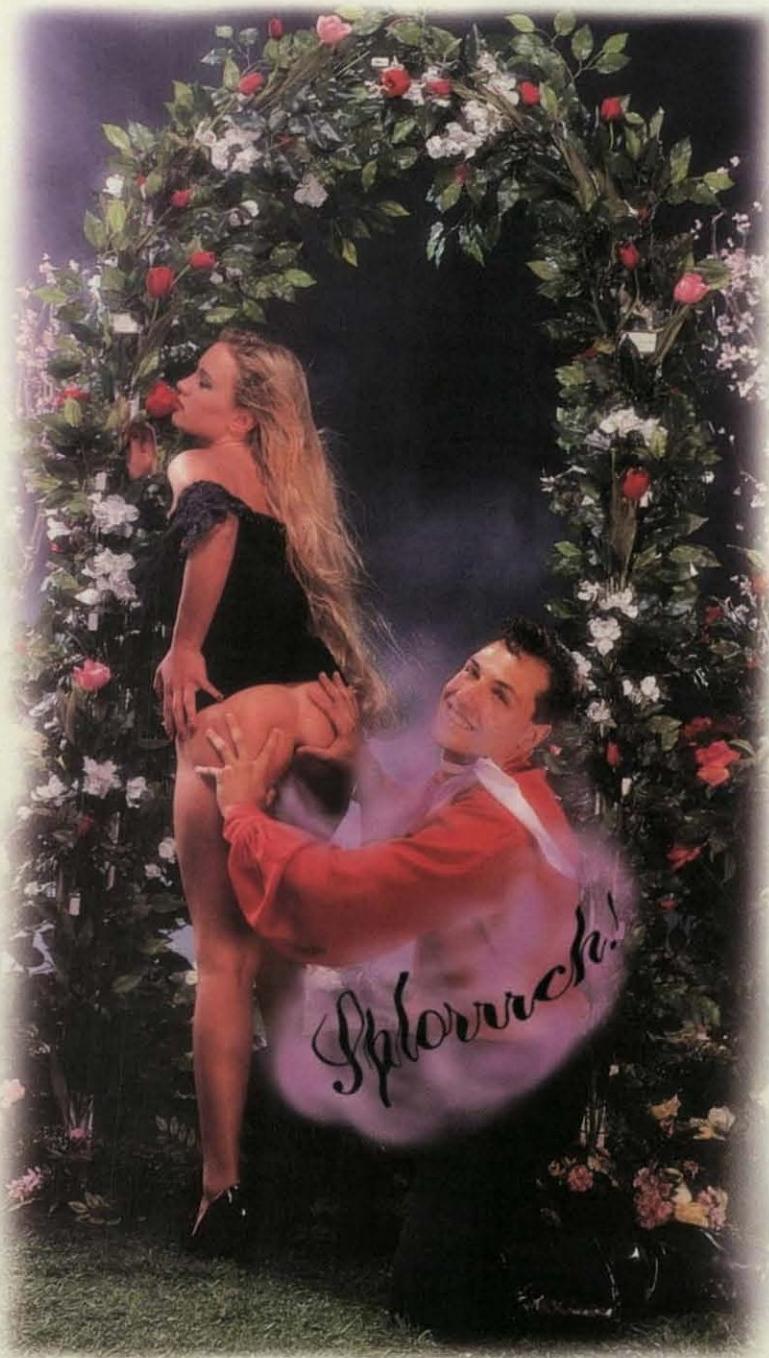

There's no time for apologies

Whilst tonguing one another's pie.

Hold nothing back, thy stewy queef

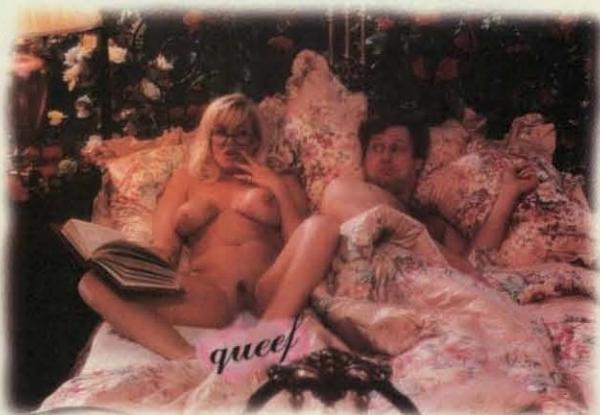

Upon my face, let fly.

A Fart by Any Other Name Is a Queef

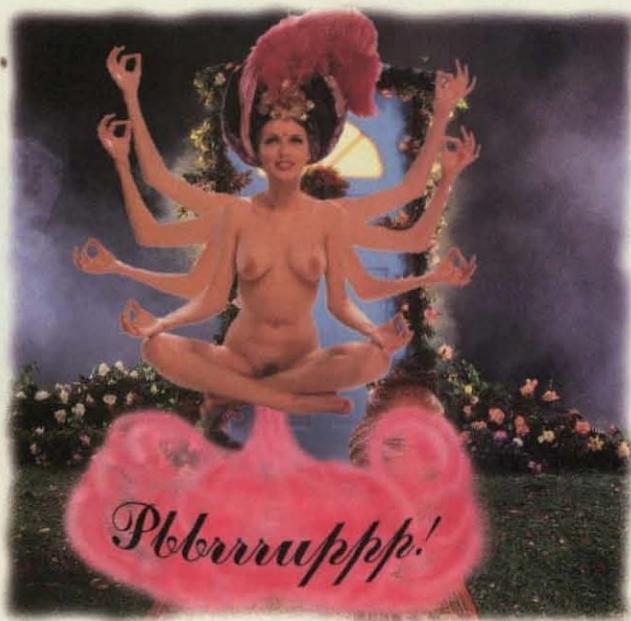

*Shall I compare thee to a sphincter's spray?
Thou art more fishy and more pink:
Whoopee cushions are for naught but play,
And flatulence hath too pungent a stink:
But thy eternal queefing shall reign supreme,
So long as men can breathe, or cocks can cream.*

If a Pussy Fart Is Silent, Did It Really Happen?

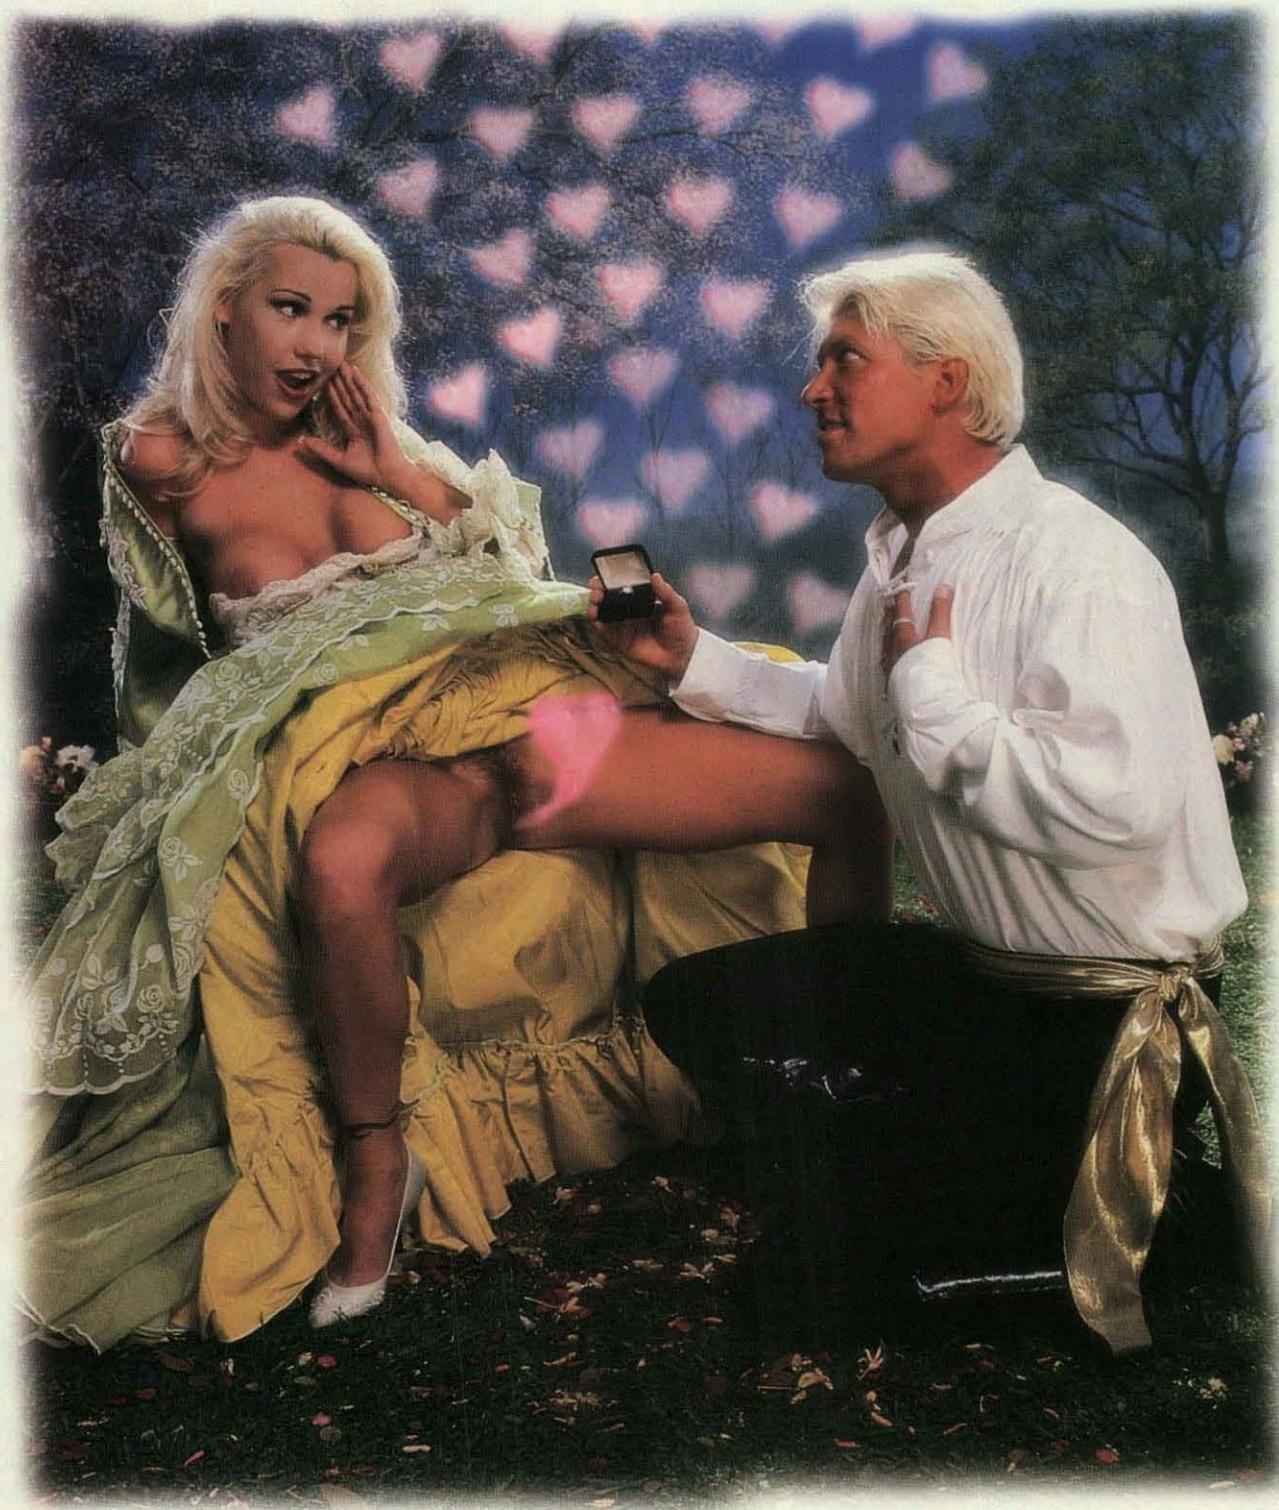

*She queefs in quietude, like the muff
Upon the chin of Honest Abe;
And in nightshirt or in the buff
Between each sloppy, flapping labe;
She mellows pussy's huff and puff
As I lay sleeping like a babe.*

To Pussy-Fart Is Human; the Air Is Divine

*The air has been somewhere,
The air has been up there.
There is no better air to sweep
'Cross plains of pubic hair.*

Let Me Count Your Pussy Farts

How do I love thee?

Let me count your pussy farts.

*I love thee to the depth and length and degree
My schwanz can sink, when plunging poonanny
For the umpteenth time in a single schtup session.
I love thee to the point of pussy-fart obsession;*

Sweet queefs I need, by day or by night

And like my farts, doh queefs alight?

*I love thee with a love of licking cooze,
With thy long taint, I lick thee until death,
Or 'til sacred vase moment when muscle control thy lose,
I shall but love thee better after a deep breath.*

Hot Letters

My semen was dribbling from between her thighs and onto my balls. Afterward, Elizabeth licked it off for me.

pulled my dick out and crossed the street.

Behind the Dumpster, Elizabeth licked and spit all over my peter. She would stick just the tip between her lips and suck real deep and hard. Then she'd pull it out, make her fist into a circle again and stroke me fast. It felt good. But I liked it better being in Elizabeth's mouth. I grabbed the back of her head and stuck my wiener as far down her throat as it would go. She made funny noises and dug her fingernails into my bottom. It kind of hurt, but it mostly felt good.

Elizabeth wanted me to lick her in the bad place too. She sat down on an old gas can and spread her legs. I went down and used my tongue like I was kissing her face.

I don't claim to be the world's greatest lover or anything, but Elizabeth seemed to enjoy the way I performed on her. She was screaming and crying and kicking my back with her bare feet. I liked the way Elizabeth tasted down there, even though it reminded me of the one time I got shock treatments. They made shock treatments against the law. Shock treatments made your mouth feel kind of burned, but not hot, the same way Elizabeth's cunt did. I noticed when I slid a finger in between her lips down there, she would shake around like I did during shock treatments. I liked that. I slid my finger in and out real slow, like I was fucking her while I licked her. But Elizabeth made me stop because she didn't want to come.

Elizabeth was so shaky, she could hardly stand up. So she just lay down on an old cardboard box that was all spread out and touched herself. She was playing with her titties and pushing her middle finger into her butthole. Her vagina sure was wet now; every time she stuck that finger further up her ass, her lips down there kind of opened and closed, like they wanted me to come on in. I lay on top of Elizabeth, and my hard-on sank right between her legs.

It had been a long time since I felt the inside of a woman, and I liked it. Elizabeth was warm and fit all my manhood just right. My manhood is a little bit bigger than most. In the old days, girls used to get scared. Not my Elizabeth. She could take it all. Elizabeth hollered and carried on like all the rest of my girlfriends, but she was begging for more. So I fucked her real fast.

I would lift up out of Elizabeth and then sink all my weight into thrusting back down. This time her fingernails were digging into my shoulders and clawing up my back. Sometimes she'd bite me hard on the cheek or the ear. I pinched her nipples, which were real hard and throbbing. That made Elizabeth even more excited.

She moved her snatch around in circles underneath me and yelled, "Squirt in me." I hadn't had an orgasm in a long time be-

cause in the hospital I wasn't allowed to touch myself. When I came inside Elizabeth, my thing seemed to piss gallons of sperm. Elizabeth's vase was vibrating and climaxing at the same time. We grabbed each other tight and rolled back and forth on the cardboard. My semen was dribbling from between her thighs and onto my balls. Afterward, Elizabeth licked it off for me.

The two of us stayed in the trash for a few more hours, fucking each other all sorts of different ways. Then a policeman came

by and said he'd send Elizabeth right back to the hospital if she didn't behave. He told me to go away. I was real sad.

I've been very horny since then. The man at the video arcade says I'm not allowed to come back. I may go back to the State Hospital.

The Joy of Shrimping

Foot Fetishists Get Kicks From Sucking Toes

BY ROBERTO SANTIAGO * ILLUSTRATION BY DANNY HELLMAN

Dick's cock is throbbing like a tuning fork. He approaches the bed where Sherry lies naked, letting his straining turkeyneck lead the way. His eyes glide over Sherry's full breasts, her baby-doll face and her thick-lipped pussy. He focuses on Sherry's feature that burns his nads like no other: her toes.

Sherry's ten ped digits are freshly scrubbed, nails neatly trimmed and painted red. Lined up like ten perfect little shrimps.

The blonde slides her feet back and forth on satin sheets and lifts them slightly with each motion. Dick's cock pulses, the head turning purple as a grape and glistening with pre-cum. Sherry slowly lifts her heels. Dick cradles each foot in his hands as if it were a baby bird.

Massaging her soles, Dick presses into her instep as he kneads the ball of her foot, her arch and her heel with his thumbs. He loosens each toe at the knuckle, carefully twisting and pulling until he hears a soft pop in the joint.

Finally, Dick passionately smothers Sherry's feet with kisses. He brings his teeth around two toes and gently bites, sending electric shocks coursing through Sherry's body. Sherry's pussy is wet, and she slides her hand under her panties and fingers her swollen clit. She watches as Dick nibbles and sucks her toes one at a time.

Dick's cock twitches in the air. Sherry wets her fingers, reaches over and wraps her hand around his thick tool, jerking it back and forth.

Dick stuffs all five toes of Sherry's left foot into his salivating craw. Feeling his cock readying to explode in orgasm, he clamps his mouth tightly around Sherry's wriggling shrimps, and he spews foam like a cracked beer can all over the back of her legs.

Sated and thankful, Dick tries to mumble some dirty talk to his lover, but his mouth is still full of her foot.

Besides his ability to help transform President Bill Clinton into a reelection commodity last November, former political advisor Dick Morris will be

remembered for bringing a taboo sexual fetish out of the closet and into the national spotlight. Toe sucking, a practice known as *shrimping* among its practitioners, became front-page news last August, when Morris's lover, a blond hooker named Sherry Rowlands, revealed the king maker's preferred proclivity in the supermarket tabloid the *Star*. An ensuing scandal led to Morris's resignation and contributed to his wife filing for divorce.

"Dick Morris is my hero," says Andrew R., 38, a music teacher from Venice, California, who has been a shrimping aficionado since his teens. "Knowing that a powerful man shares my passions makes me feel less like a pervert."

According to Dr. Jerry Zintara of the San Francisco, California-based Institute for the Advanced Study of Human Sexuality, toe sucking is one of the fastest-growing sexual fetishes.

"[Shrimping] combines the sensations of oral sex and the soothing pleasures of reflexology," Dr. Zintara says. "Like cross-dressing, toe sucking is a fetish that has gained increasing expo-

sure in the past few years."

Zintara refers to the Hollywood films that have portrayed shrimping scenes over the past 11 years—from *Sid & Nancy* in 1986 to *Don't Be a Menace 2 South Central While Drinking Your Juice in the Hood* in 1996. The growing circulations of publications such as *Instep* and *Leg Show*, as well as the premier in May 1997 of HUSTLER's *LEG WORLD*, a new foot and leg magazine, attest to the public's increasing appetite for toe worship.

"Shrimping can be an act of submission favored by men in positions of authority because it offers a healthy escape from their daily expectations of always having to be the boss," says Beverly Hills, California, sex therapist Dr. Susan Block, author of *The Ten Commandments of Pleasure*. "Men and women need a balance of dominance and submission, and most men will allow themselves that submission in the bedroom."

The development of foot fetishes, according to Dr. Block, "can be traced to childhood experiences. Foot and toe worship is no different than breast, butt

"One man paid me \$500 to make a video in which the camera focused on a beautiful woman's bare feet for two hours as she slept. He was very specific about how he wanted the feet to look."

or vaginal obsession or the sexual attraction to certain pieces of clothing."

Danny M., 53, a retired Army lieutenant who owns a car dealership in Atlanta, Georgia, reveals that he has been enamored of girls' toes since he was a little boy.

"When I was eight, I used to play doctor with the little girl next door," Danny says. "When we showed our private parts, we would also take off our shoes and socks. I'd never seen a girl's feet, and hers were so much softer and prettier than mine. I used to touch her privates and her toes. She'd giggle and moan. Both reactions excited me then, and they continue to excite me now."

Danny, who has been married for 20 years, says that his expertise with reflexology and toe worship has made him a better lover.

"My wife, Claudia, is a goddess who deserves to be worshiped," he says. "Her feet and little pink labia are as gorgeous as the day we were married."

Initially, Claudia was not receptive to Danny's fetish.

"I was raised to believe that feet were no-man's-land—that they were smelly and ugly," says Claudia. "Danny taught me that every part of my body is beautiful and receptive to touch. He not only sucks my toes, but my vagina, breasts, ass and the back of my neck. He's a total lover. No part of a woman's body is disgusting to him."

Though not every man is fortunate enough to have an understanding partner, sexual-fetish surrogates, such as Kellie Everts, help fill the void.

For the past 18 years, Everts, a beautiful, self-described "over-40 Amazon," has produced a line of personalized fetish videos and photographs that have satisfied the fixations of hundreds of obsessed male clients.

"One man paid me \$500 to make a video in which the camera focused on a beautiful woman's bare feet for two hours as she slept," says the Ouaquaga, New York, businesswoman. "He was very specific about how he wanted the feet to look: The toes had to be full and plump, like shrimps."

The customer was allegedly quite pleased with the finished product. "He says he has jerked off hundreds of times to that video," Everts laughs.

Shrimping devotee Jorge L., a Long Island, New York, chemical engineer, swears by Everts's videos.

"The tapes have shown me that a conservative man like myself, who loves sucking toes and feet and shoes, is not a pervert," Jorge says. "Her videos picture

everything I love to do: toe sucking, having a woman walk on me, shoe fucking— everything that a guy can do with women's feet."

Interestingly, Zintara, Block and Kellie Everts all agree that the overwhelming majority of men who enjoy shrimping will not allow their own toes to be sucked by a female partner.

"I would never allow any woman to suck my toes; that's my job," says David S., a lawyer from Cleveland, Ohio. "Shrimping is the way I get my hardest erections. I would lose my erection if a woman did that to me."

According to Andrew R., "In this world, you are either a shrimper or a shrimpee, and only real men are shrimpers."

Lisa G. is a media consultant from Tampa, Florida. "I am happy that men prefer to do it and do not expect it in return," says the 24-year-old. "I love having my toes kissed and sucked. But I would hate to put my mouth on a big, stinky foot with wiry, black hairs curling out of the toes."

Like Lisa, Dr. Block is vocal about her love for shrimping. In her instructional video *Feet: An Erotic Study in Podophilic Sexuality*, Block details one fantasy that takes shrimping very literally.

"A man puts cooked shrimp between his

wife's toes, pours cocktail sauce over them, then eats his creation," Block says. "As long as the woman's feet are freshly washed and free of any cuts, infections, fungi or diseases, shrimping is a safe, sensual experience."

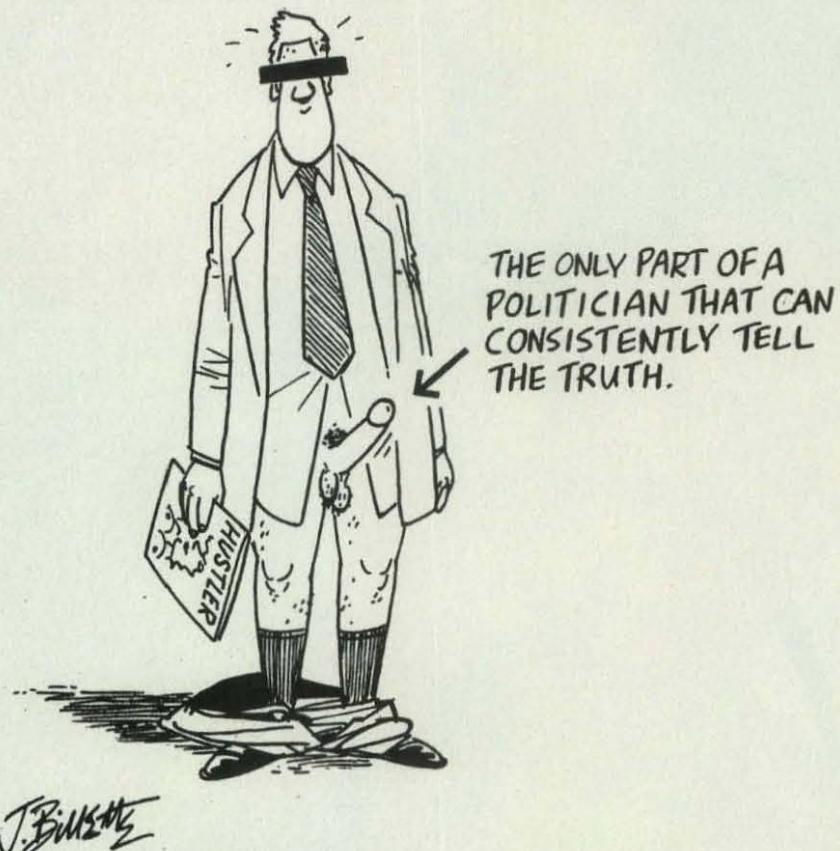

Dr. Block confesses that in her private life, she loves when her husband sucks her toes and feet. "My feet are so sensitive that I am able to achieve orgasms that way," she claims. "I call them *toegasms*."

Kent O. is a 33-year-old investment banker from Detroit, Michigan, who says that he has introduced all his recent girlfriends to the pleasures of toe worship.

"I say toe worship because calling a woman's toes *shrimp* is degrading," he says. "If you want to bed a woman, give her a foot massage. Women melt after a great foot rub, especially if you compliment them on how beautiful and soft their feet are. When making love, add kissing and sucking to the massage and the compliments. Do that, you'll be the man."

Mai, Kent's 28-year-old girlfriend, backs his story.

"I hopped into bed with Kent quicker than any man I have ever been with," Mai says. "I figure a guy who does such wonders for my feet must be able to do even more remarkable things elsewhere." ☀

REAL LIFE AND CIGARETTES

FICTION BY DANIEL J. EMERSON * ILLUSTRATION BY S. CLAY WILSON

The prospect of fucking a wayward blonde leads Ned far from home, into a world of bikers and pit bulls, of crank, smoke and beer. He gains a tale to tell, but for how long can a tamed man survive in the wild?

Two minutes after he turned onto the freeway ramp, she dove on his dick. Her head in his lap, bleached-blond hair catching the halogen lights as it bobbed, Ned thought, *Now this is fucking real.*

He hadn't felt real for a long time. He got up in the morning. Drove down from a house in Silverlake to the Wilshire office and spent the day typing into a

computer. Hours passed him by like nothing. Soon he would be in danger of losing days, weeks maybe.

But this was something that might bring him back. It was two, maybe three in the morning, and Ned aimed his Ford down the empty freeway, the beautiful stranger's head nuzzling in his lap. He

finished before they reached the exit, and, minutes later, he was cruising Cherry Avenue in Fontana. The girl in the seat next to him said, "Turn right now. That's it. And right again."

He had found her in a bar near the ocean. She was leaning over the juke at the back, beyond the pool table. Blond hair falling on either side of her face,

one foot crossed over behind the other, swaying to the music, studying the title strips and album covers.

"Here, turn in," she said.

Ned guided the car onto the dirt driveway of the bungalow, one hand on the wheel, the other in the hot pocket between her legs.

"Preciate it," she said, fixing her shirt. "You want to come in or something?"

"Sure," he said, thinking maybe fuck her over the kitchen table, her jeans down around her knees. Watch her pixie face mirrored in the toaster. Do it so he could take it back into his life. Something to think about when he looked out his window over Wilshire at the midday traffic.

He followed her up the drive, his eyes glued to the gentle sway and bounce of her ass. Then he noticed the lights in the back of her house were on.

"My roommate," she said over her shoulder, unlatching the gate.

He was halfway into the yard when he heard the growl, low like an engine. A bark exploded, and the big dog came crouching out of the darkness, white teeth gleaming against a pink mouth.

Ned's balls shot up into his stomach, and the dog charged. Ned jumped, banking his ass on the open gate and losing his bal-

ance as the dog pulled up short, yanked back with the snap of a chain.

"Jesus, Loon, if you don't fucking feed this animal, it's gonna tear somebody apart," she said, going through the screen door into yellow light.

The dog whimpered, then melted back into the darkness.

A light flickered above the yard. Three Harley Pan Heads were parked close to the steps leading up to the kitchen.

A figure filled the doorway, a big guy in a dirty, red T-shirt. His face was vaguely out of focus behind the screen. "What the fuck, Jean Anne?"

"It's Ned, Loon. He gave me a ride home, okay?"

Ned stopped at the bottom of the steps, suddenly feeling his dick inside his khakis, sticky with cum and her spit.

"What the fuck?" Loon said, scratching his expanse of belly. "What the fuck?"

"Just let him in, Loon, wouldja?" she called from inside the kitchen. "Your piece-of-shit van died in Venice. The guy gave me a ride home, okay?"

"You do that thing for me?" Loon called over his shoulder.

Dishes rattled inside the house. "Yeah, I did it. Now let him in."

"Look, I gotta go, I was just helping her out," Ned said. But he didn't move.

Somewhere behind him the dog growled.

Loon stared at Ned closely, something in his head working. "Yeah, come on in, bro. Jean Anne wants you inside."

Loon extended his tattooed arm, opened the screen door and took a half step aside. Ned came up the stairs, thinking, *Five minutes, ten minutes, then out.*

Inside, the sink was piled high with dishes covered in spaghetti sauce and bits of egg. Junk-food containers overflowed the garbage. At the counter, Jean Anne was making a bologna sandwich on white bread. "I ain't making that run for you no more," she said, spreading mayo on the bread. "I ain't doing it no more."

Loon forced himself by Ned, grabbed a can of beer from the counter and took a swallow. "Fuckin' whore," he said. Then to Ned, "You got a smoke, bro?"

Ned pulled a pack from his shirt pocket and shook one out. Loon flipped it into his mouth. Ned could feel himself thinking now. The bare 100-watt bulb that hung over his head from the ceiling socket felt like the sun. He was aware of everything in the kitchen, of every shiny-blue jailhouse tattoo on Loon's arms.

"Beer?" Loon asked, bending over the gas range to light the cigarette. "Want a beer, bro?"

Ned, thinking, *No, better get out sooner rather than later*, said, "Sure."

Loon went to the fridge, pulled out a beer and handed it to Ned. "Where'd she find you? At a fucking Gap?"

Ned forced a chuckle.

"Venice, asshole," she said.

Something passed between the girl and the biker, and she retreated back to the counter.

"Sit," Loon said. "Enjoy the beer."

Ned took a sip of beer. *Fuck, he thought, a story to tell Monday morning. Fucking drinking beer with bikers. Forget it; they'll shit.*

"So, Ned, is it, what the fuck are you doing here, huh?"

"I told you; he gave me a ride," Jean Anne said, mouth full of sandwich.

"Yeah, but I wasn't talking to you, huh?" Loon said, blowing smoke across the room, then taking a sip of his beer.

"Like she said," Ned answered. "The van wouldn't start."

"So you found her on the street?"

"I was calling from a bar, okay?" said Jean Anne.

"That's the way it went, is it, Ned?" Loon asked, taking another drag.

"Pretty much," Ned said, raising his arm to take a drink of beer.

"Drop it," Jean Anne said.

Real Life

Loon moved quickly, up and across to the sink where she stood. Loon got the girl's face in his hand and squeezed hard. A piece of chewed bread and bologna fell from her mouth to the floor.

"And you did the thing, right?"

"Yeah, I did the fucking thing," she answered between chews. "I saw the fucking guy. I took care of your fucking business. I gave him the fucking message."

Loon moved quickly, up and across to the sink where she stood. Loon got the girl's face in his hand and squeezed hard. A piece of chewed bread and bologna fell from her mouth to the floor. She tried to squirm away, but Loon pinned her to the counter, pushing up against her.

"Fuckin' bitch wants to play games? Mouth off?" Loon started to lift her, pulling her up by her face.

"Hey, come on," Ned said, hearing his own voice, small and pleading.

Loon turned, still holding the girl, his eyes narrowing.

Ned brought both his hands up, showing the biker his palms. "Hey...you know...? You know?" he asked.

Loon's face stayed stone for a two beat, then he let the girl go. "Yeah, bro, I know," he said.

"Yo, what's the what, you know?" a voice said from the doorway leading to the living room. Ned turned and saw a skinny guy standing there, 30, maybe 35. Skinny as a post. Old man skinny, with stick arms flapping in the frayed sleeves of a Willie Nelson T-shirt.

"Jesus, Winston," the girl said. "Who let you in?"

"He did," the guy said, his arm coming up to point at Loon.

"Winston, man, I want you to meet a friend of mine," Loon said. "Ned here drove Jean Anne home."

Ned extended his arm and shook the bone-thin hand Winston raised. "Good to meet you," Ned said.

Jean Anne took a step forward and toed out the cigarette Loon had dropped on the floor when he charged her. "It's never good to meet Winston," she said.

Loon laughed, sat down and took a sip of beer. "Jean Anne, Winston, they don't get along," Loon said. "Maybe 'cause she had his kid a while back. I sold it to some carnies from the freak show."

Winston laughed. "Check this, just in," he said, pulling out a small baggie and shaking a thick line of powder onto the web between his thumb and forefinger. "High-grade, high-octane shit," he said, then snorted it up.

Loon reached across the table. His beefy hand stopped a couple of inches from Ned's shirt pocket. "Mind, bro?"

"Naw, sure," Ned said, eyes still on Winston.

Loon took the cigarette, rose from the chair and lit it on the stove again.

(continued from page 64)

"Check it," Winston said, holding the baggie up and shaking it lightly. "All crystallized shit. Like little diamonds, man."

"Pass that over," Loon said.

Winston brushed the hair out of his eyes. "Careful, man, high-quality, like Dove soap or some shit."

"Give it here," Loon said, reaching out for the baggie.

Ned watched as the biker brought a quantity up to taste, then tapped out a sloppy line across the back of his hand and snorted it.

"Fuck, Winston, you weren't lying for once," Loon said. "Motherfucker."

"Give it back, give," Winston insisted, his body moving to some fast beat that nobody else could hear.

"Our guest, right," Loon said. "You want some, bro?"

Ned paused for a moment, then said, "Yeah. Sure."

"Do 'em up," Loon said, tossing the bag on the table.

Ned shook out a small line on his hand and snorted. But no freeze, familiar from the '80s. The powder dusted back up his nose, and, a few seconds later, he felt a jolt. "Weird blow," he said. "But it's good."

"Fuck, it ain't coke. It's crank," Loon said. "Crystal."

"Mine. My crank," Winston added, stalking in on the baggie Ned had laid back on the table.

Loon smoked the last of the cigarette and dropped it to the floor, adding another scar to the linoleum. He took a long pull of beer, then reached his hand out, toward Ned. He didn't say anything, just scissored two fingers together for a cigarette.

The rush hit, and Ned shook his head. "Oh, yeah, sure, here," he said, pulling out a smoke.

Loon took the cigarette and walked to the stove to light it.

"Hey, what about me?" Jean Anne asked.

Winston had the bag now and was folding it carefully. "You want, want to take it out in trade?"

"Fuck you," Jean Anne said, then snaked her hand out quick and grabbed the baggie.

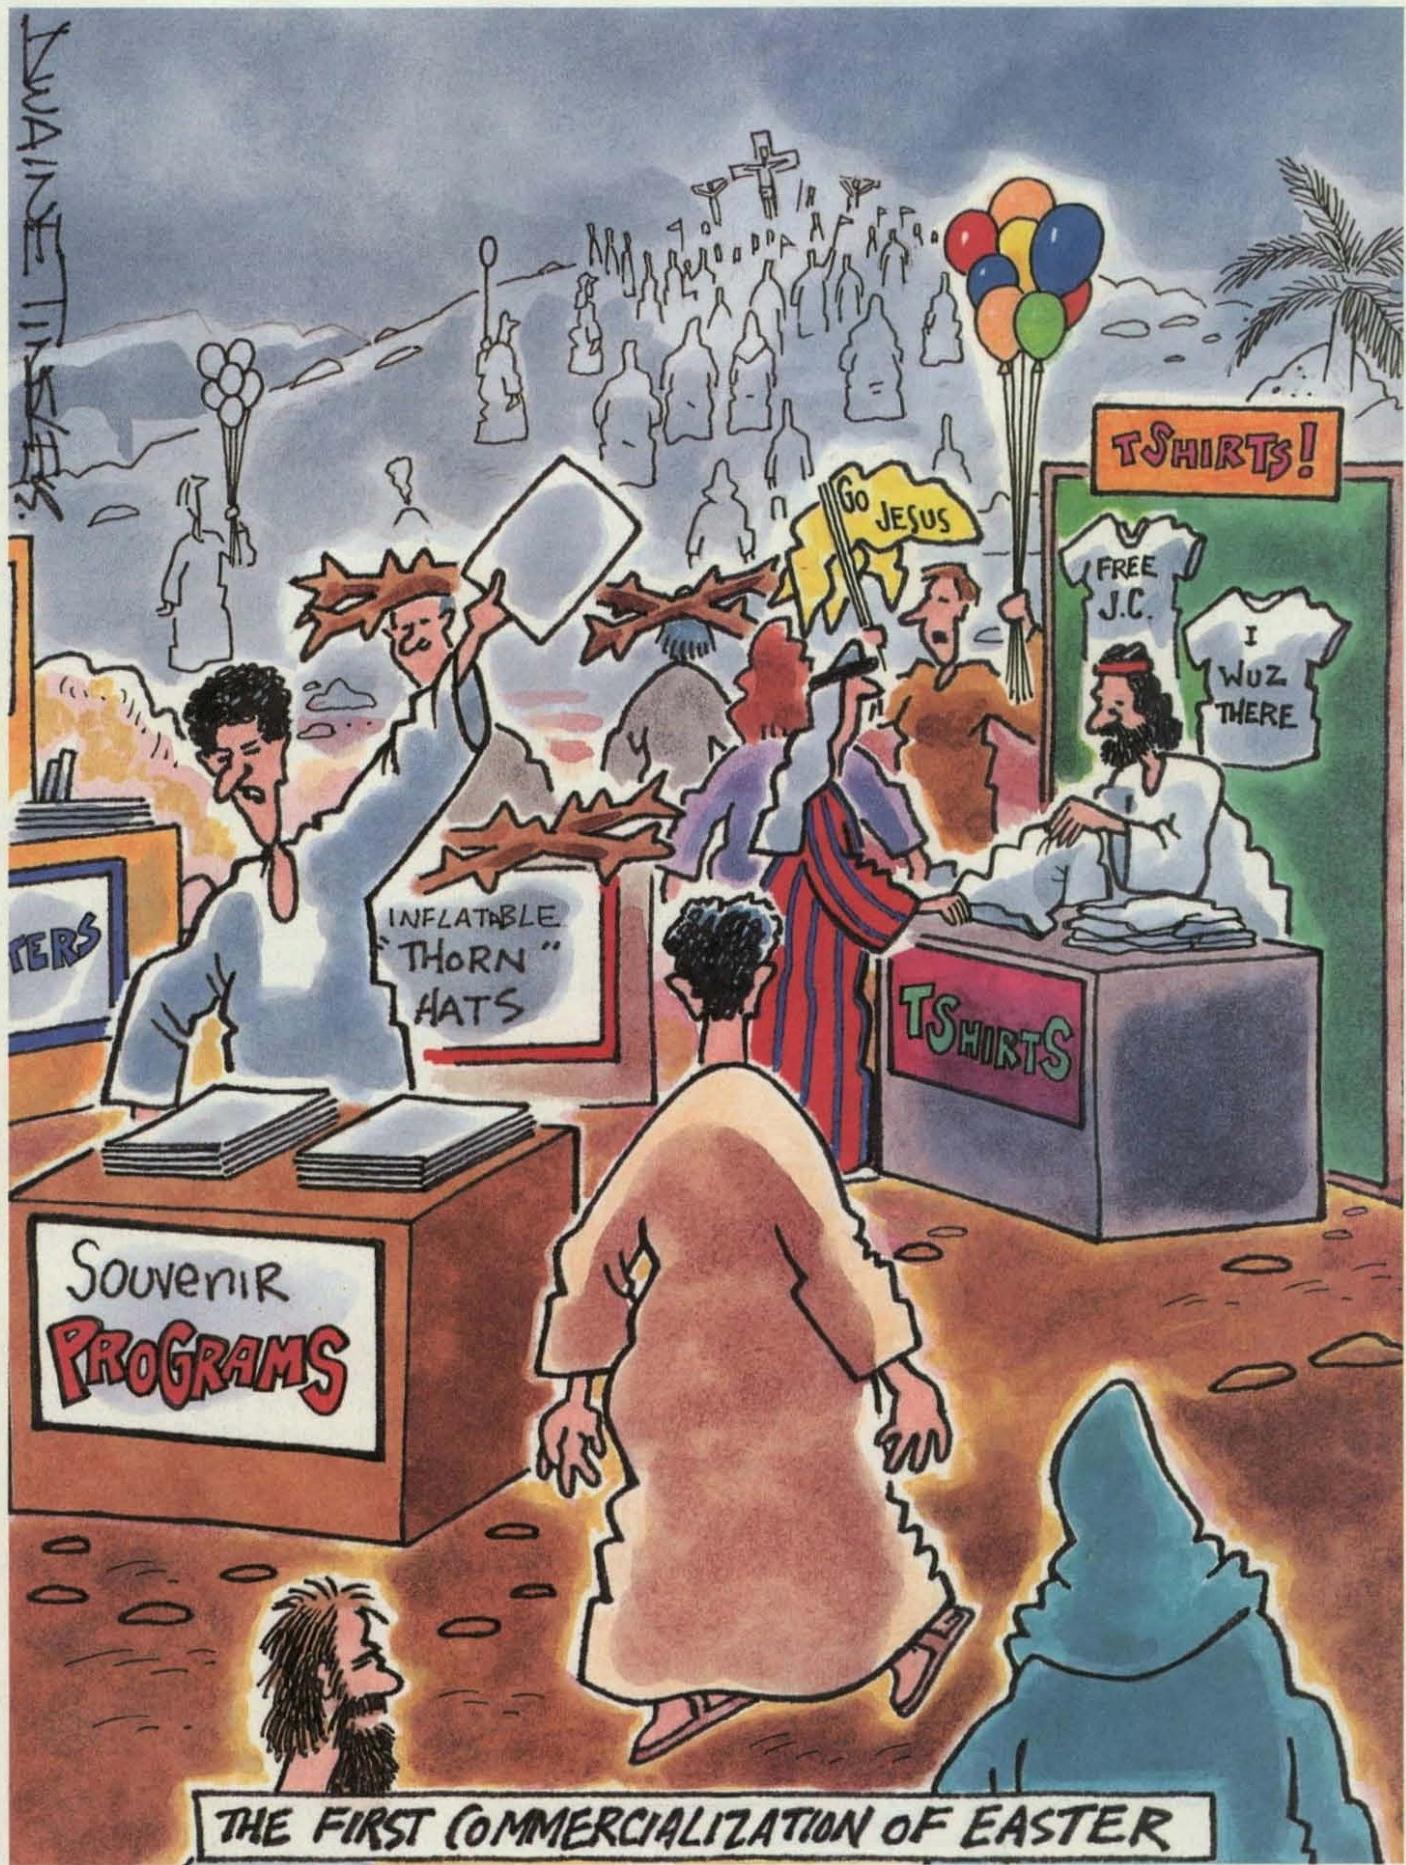

Winston stood there shocked for a second, then he moved in on her. "It's mine," he said, trying to grab it back, forcing her against the sink. She kept him away easily with one hand on his chest, the other holding the bag aloft.

The scene struck Ned as funny, and he giggled.

Loon, over by the stove yet again, bending low to light the cigarette, laughed too.

"Wow! You really are rich!"

Real Life

Just then, he became aware he was grinding his teeth. A thin layer of sweat

covered his forehead and arms. He felt like talking.

"She's fucking stealing it, man," Winston complained, trying to reach the baggie. Then to Jean Anne, "It ain't yours to take. It ain't yours."

"Just let her have some," Loon said, sitting back down and inhaling deeply on the cigarette.

"I want her to suck me first, then I'll give her some."

"Just give her a taste," Loon said, not laughing anymore. "It'll shut her up."

Winston stopped grabbing for the bag and said, "A taste, you understand?"

"Yeah, yeah," she said, leaning over the countertop, then tapping out the best part of a gram on her hand and snorting it up greedily.

Winston howled, "You seen that, you seen it." His eyes looking pleadingly from Ned to Loon, then back again.

Ned giggled louder.

"Jean Anne," Loon said. "Take a walk down to the all-night and get some more beer."

"Why me, why do I have to go and not him?" she asked, pointing at Winston.

"'Cause he's got the drugs, you fuckin' nitwit," Loon said, dropping the last of his cigarette to the floor and grinding it out.

Ned laughed hard, his eyes closing to teary slits as he watched Jean Anne leave.

"What's up with you?" Loon asked.

"Somebody throw a tent over this circus; really, just do it," Ned said.

"Hey, man, this is my home. You're talking about family here," Loon said.

Ned pulled himself together. "Hey, sorry, man," Ned said, feeling the blood rush through his body.

Loon reached out and pulled a cigarette from Ned's pocket.

Somewhere far off, the front door slammed.

"So, Ned, what is it you do, huh?" Loon asked, lighting the cigarette from the stove again.

"Do? Like for money?"

"No, like for fucking wampum."

"Marketing manager for hospitals."

"Sounds like a bunch of horseshit."

"It is," Ned said. He leaned over the table, pulled out a cigarette and lit it with a disposable from his pocket. "Bullshit."

"You fuck, you had a lighter and been making me light off the stove all night?"

"I don't smoke anymore. I just started again tonight. I forgot."

Ned inhaled deeply, raised his head back and blew a stream of smoke up toward the bulb swinging overhead. "Some days, man, I swear, I wish I did what you guys do."

In one long, deep pull, Loon burned the last half of his cigarette. He dropped it

on the floor, twisted it out with the toe of his boot and said, "You don't fuckin' know what we do."

Loon reached across the table, pulled a cigarette out of Ned's pocket, then lit it off the disposable on the table.

"I mean like something real, you know?" Ned said.

"The money's real, ain't it?" Loon said. "The money they pay you, that's real."

"I wanna do something, like ride maybe, a big bike, like out back, you know?"

"That don't pay the rent, bro," Loon said. "That don't pay a penny to the rent."

Loon took a long drag on the cigarette and blew smoke across the table. "I look at a guy like you. New ride sitting in my driveway. Probably got a wallet full of plastic. Cash card with a couple of grand on tap. Closet full of clothes."

"Yeah, but it doesn't mean anything."

"Bro, money's the most real thing I know."

Jean Anne came back with the beer, walked wordlessly across the kitchen, shoved the brown bag into the fridge and left the room.

"Naw, really, it don't mean nothing," Ned continued. "Not really. I'd trade it."

"Trade it for what?"

Ned took a cigarette out of his pocket and lit it. "A beer," he said, making a joke. Just then, he became aware he was grinding his teeth. A thin layer of sweat covered his forehead and arms. He felt like talking. He took a long swallow of the beer, tipping the can almost straight up and bending his head back.

"Get the man another beer," Loon said, pointing the way to the fridge for Winston.

A moment later, another beer appeared in front of Ned. He lifted it to his mouth with a shaky hand. His mind was racing. He was already thinking about how he'd tell the story at the office. He'd have to stretch it out. Lots of details. Make it seem dangerous.

"So, you'd give it all up?"

"Yeah, in a heartbeat."

"Money, car, everything?"

"Absolutely," Ned said. "This is the first time I felt, I don't know...."

"Jean Anne's ass?" Winston asked, leering.

Loon dropped his cigarette and ground it out on the floor. "Man, I love crank, but it makes me smoke a fuck of a lot."

"...felt alive in a long time," Ned finished, then took another sip of beer. This was good, he thought, sitting around a kitchen table, talking. Not that this guy

One day at the Vatican, the Pope received word that the Seven Dwarfs wished to speak to him.

"Your Holiness," asked Doc, "does the Church have any three-foot-tall nuns working for it?"

The Pope paused to think for a moment before responding that, as far as he knew, the Church did not have any three-foot-tall nuns.

After hearing this, the Dwarfs broke into hysterical laughter.

Smiling along, the Pope asked what was so funny.

After catching their breaths, six of the Dwarfs started chanting, "Dopey fucked a penguin! Dopey fucked a penguin!"

Question: What do a window washer, a tightrope walker and a guy getting a blowjob from Whoopi Goldberg have in common?

Answer: None of them can look down.

Big Bob's old lady was thinking about getting a boob job; so she hit him up for the money.

When she asked him for the cash, Bob said, "You don't need my money. Just grab some toilet paper and rub it between your tits every day."

"And how is that going to make my boobs any bigger?" she snapped.

"Beats me," Bob replied. "But it sure as hell worked on your ass."

The HUSTLER Dictionary defines *horizon* as: A hooker getting out of bed.

A tourist lost deep within bayou country came across a run-down cabin and stopped to ask the two locals sitting on the porch for directions.

As he was leaving, he considered the remote surroundings and then asked, "What do you guys do for fun around these parts?"

"Well," one of the men drawled, "mainly we hunt and fuck."

"What do you hunt?" asked the tourist.

"Usually," the other local answered, "something to fuck."

After hearing some new words on the playground, a young boy went to his mom and asked her what a pussy was. His mom opened up the encyclopedia and showed him a picture of a cat. Then he asked her what a bitch was. She showed him a picture of a female dog.

Confused by her answers, he went to his father and asked him what a pussy was. His father grabbed a HUSTLER and circled the area between a woman's legs.

"Well, what's a bitch then?" asked the boy.

"Everything outside of the circle," replied the dad.

Last winter, the President was out for his daily run when he saw some writing on a nearby snowdrift. Taking a closer look at the yellow snow, he was enraged to read: "Bill Clinton sucks." As soon as he got back to the White House, he ordered the Secret Service to find out who was responsible.

Two days later, as Clinton sat in the Oval Office, the head of the Secret Service came in and announced, "Sir, we've finished analyzing the evidence. I have good news and bad news."

"Get on with it," said Bill. "What's the good news?"

"Well, sir," said the agent. "It's Al Gore's urine."

"What?" screamed Bill. "That's the good news? What the hell's the bad news?"

"It's Hillary's handwriting...."

Question: What's the difference between a blonde and a mosquito?

Answer: A mosquito stops sucking when you slap it.

Several showgirls had entertained the troops all afternoon at a remote Army base.

After their performance, a major asked, "Would you ladies like to mess with the enlisted men or with the officers?"

"It doesn't matter," replied one of the girls. "But we would like something to eat first."

"'90's woman or not, in the end, it comes down to a good dick, don't it?"

STALKING CHRISTY CANYON

Lurking and Watching
From a Porn Queen's Shadows

JOB DESCRIPTION BY
WYNN ARMSTRONG

ILLUSTRATION BY
JOHN HOWARD

XXX fame bestows both blessings and curses: public adoration, fat paydays, the obsessions of crazed fans. In this excerpt from the journal of Christy Canyon's personal bodyguard, HUSTLER tracks a porn legend through the lucrative exotic-dance circuit and into a jungle of lechery and lost souls.

Canyon

A drunk sat down with Christy on his lap and immediately grabbed and pawed at her

bare breasts. She shrieked and called my name.

Another sweaty New Jersey strip joint, standing room only. To porn queen Christy Canyon, the exotic-dance circuit is a nightly coronation. To me, Christy's personal bodyguard, each full house is a gauntlet of potential violence.

After setting Christy up in her dressing room, I went to check out the club floor. Security was light; if there were bouncers on duty, I couldn't pick them out among the horde of mooks packing the place.

One group of customers stood around a small corner stage from which a weak light shined, rotating slowly in a circle. I joined the cluster and got an eyeful of what they were cheering for: A dancer had stuck a small flashlight up inside herself, and a narrow beam of light emanated from inside her shaved vagina. She had her knees pulled up to her ears, and guys were spinning her in a circle. Over to my left, other dancers were letting men grab and kiss their breasts for a dollar. This was clearly the kind of club where the owner is happy to let the customers run the place.

I escorted Christy to the stage during her introduction and weathered a hail of obscenities from the crowd. Christy was oblivious to the yelling because the music was so loud. As she danced to Aerosmith's "Love in an Elevator," I shadowed her, maintaining a range of position between the

bar and the stage. Some of the guys were pissed off because she wouldn't let them touch her. I was in charge of running interference, and that didn't win me any friends.

At the Polaroid session after the first set, we were crammed into a tiny corner of the club. A black light glared directly in my eyes, turning the area into a blur. A speaker stack to my left deafened me. Half the club was crowding in on us, and a couple of guys were throwing beer bottles back and forth behind my head. To top it off, several members of the notorious East Coast Pagans motorcycle gang had just walked in.

It was one of those nights.

A drunk sat down with Christy on his lap and immediately grabbed and pawed at her bare breasts. She shrieked and called my name. I jumped forward, snatched the guy's left wrist and struck the side of his neck in a way that martial artists use to daze their victims. He leaped up and made a fist, but as he swung at me, I pulled his left arm straight to my hip while putting pressure on his elbow. The momentum of his right hook and my pulling his left arm to the floor planted him headfirst into the concrete. Pinning him, I looked up at the crowd to make sure nobody else was coming at me or at Christy. The guy was knocked cold,

and his friends carried him out. No one tried anything the rest of the night.

* * * * *

After the last set, we returned to the hotel, where I helped Christy open her fan mail. Most fans requested Polaroids of her posing in the nude or wearing bikini underwear.

As I read Christy's letters, I learned quite a bit about her career. Christy Canyon broke into the XXX business just as the VCR became a standard home appliance. The video boom of the early to mid-1980s fueled an explosion in porn's accessibility and popularity. Christy's timing was perfect: She and a handful of other girls became blue-screen superstars overnight.

Everywhere we go, people know Christy Canyon's name, face and a couple of other parts of her anatomy. She has capitalized on XXX fame to become one of the highest-paid exotic dancers in the world.

Opening Christy's correspondence was never boring, but one letter in particular, sent by a woman named Billie Sue, gave me the creeps. The message was extremely graphic. Billie Sue had enclosed a dildo and leather harness for Christy to employ in the requested Polaroids. According to Christy, Billie Sue was a longtime fan who never spent less than \$500 a month on Polaroids, tapes and audio cassettes. Christy had stopped making the cassettes because the woman wrote fantasy scripts so vile and disgusting that Christy couldn't bring herself to read them anymore.

Billie Sue's autograph requests were similarly depraved. One demanded the following inscription: "I want to be your butt-fucking lesbian whore. Signed, Christy the big-boobed bitch." At the bottom of her request, the fan politely wrote, "Thank you so much. Love, Billie Sue."

Billie Sue's strange obsessions turned our stomachs and made us laugh. At \$20 a Polaroid, Christy was willing to accommodate them.

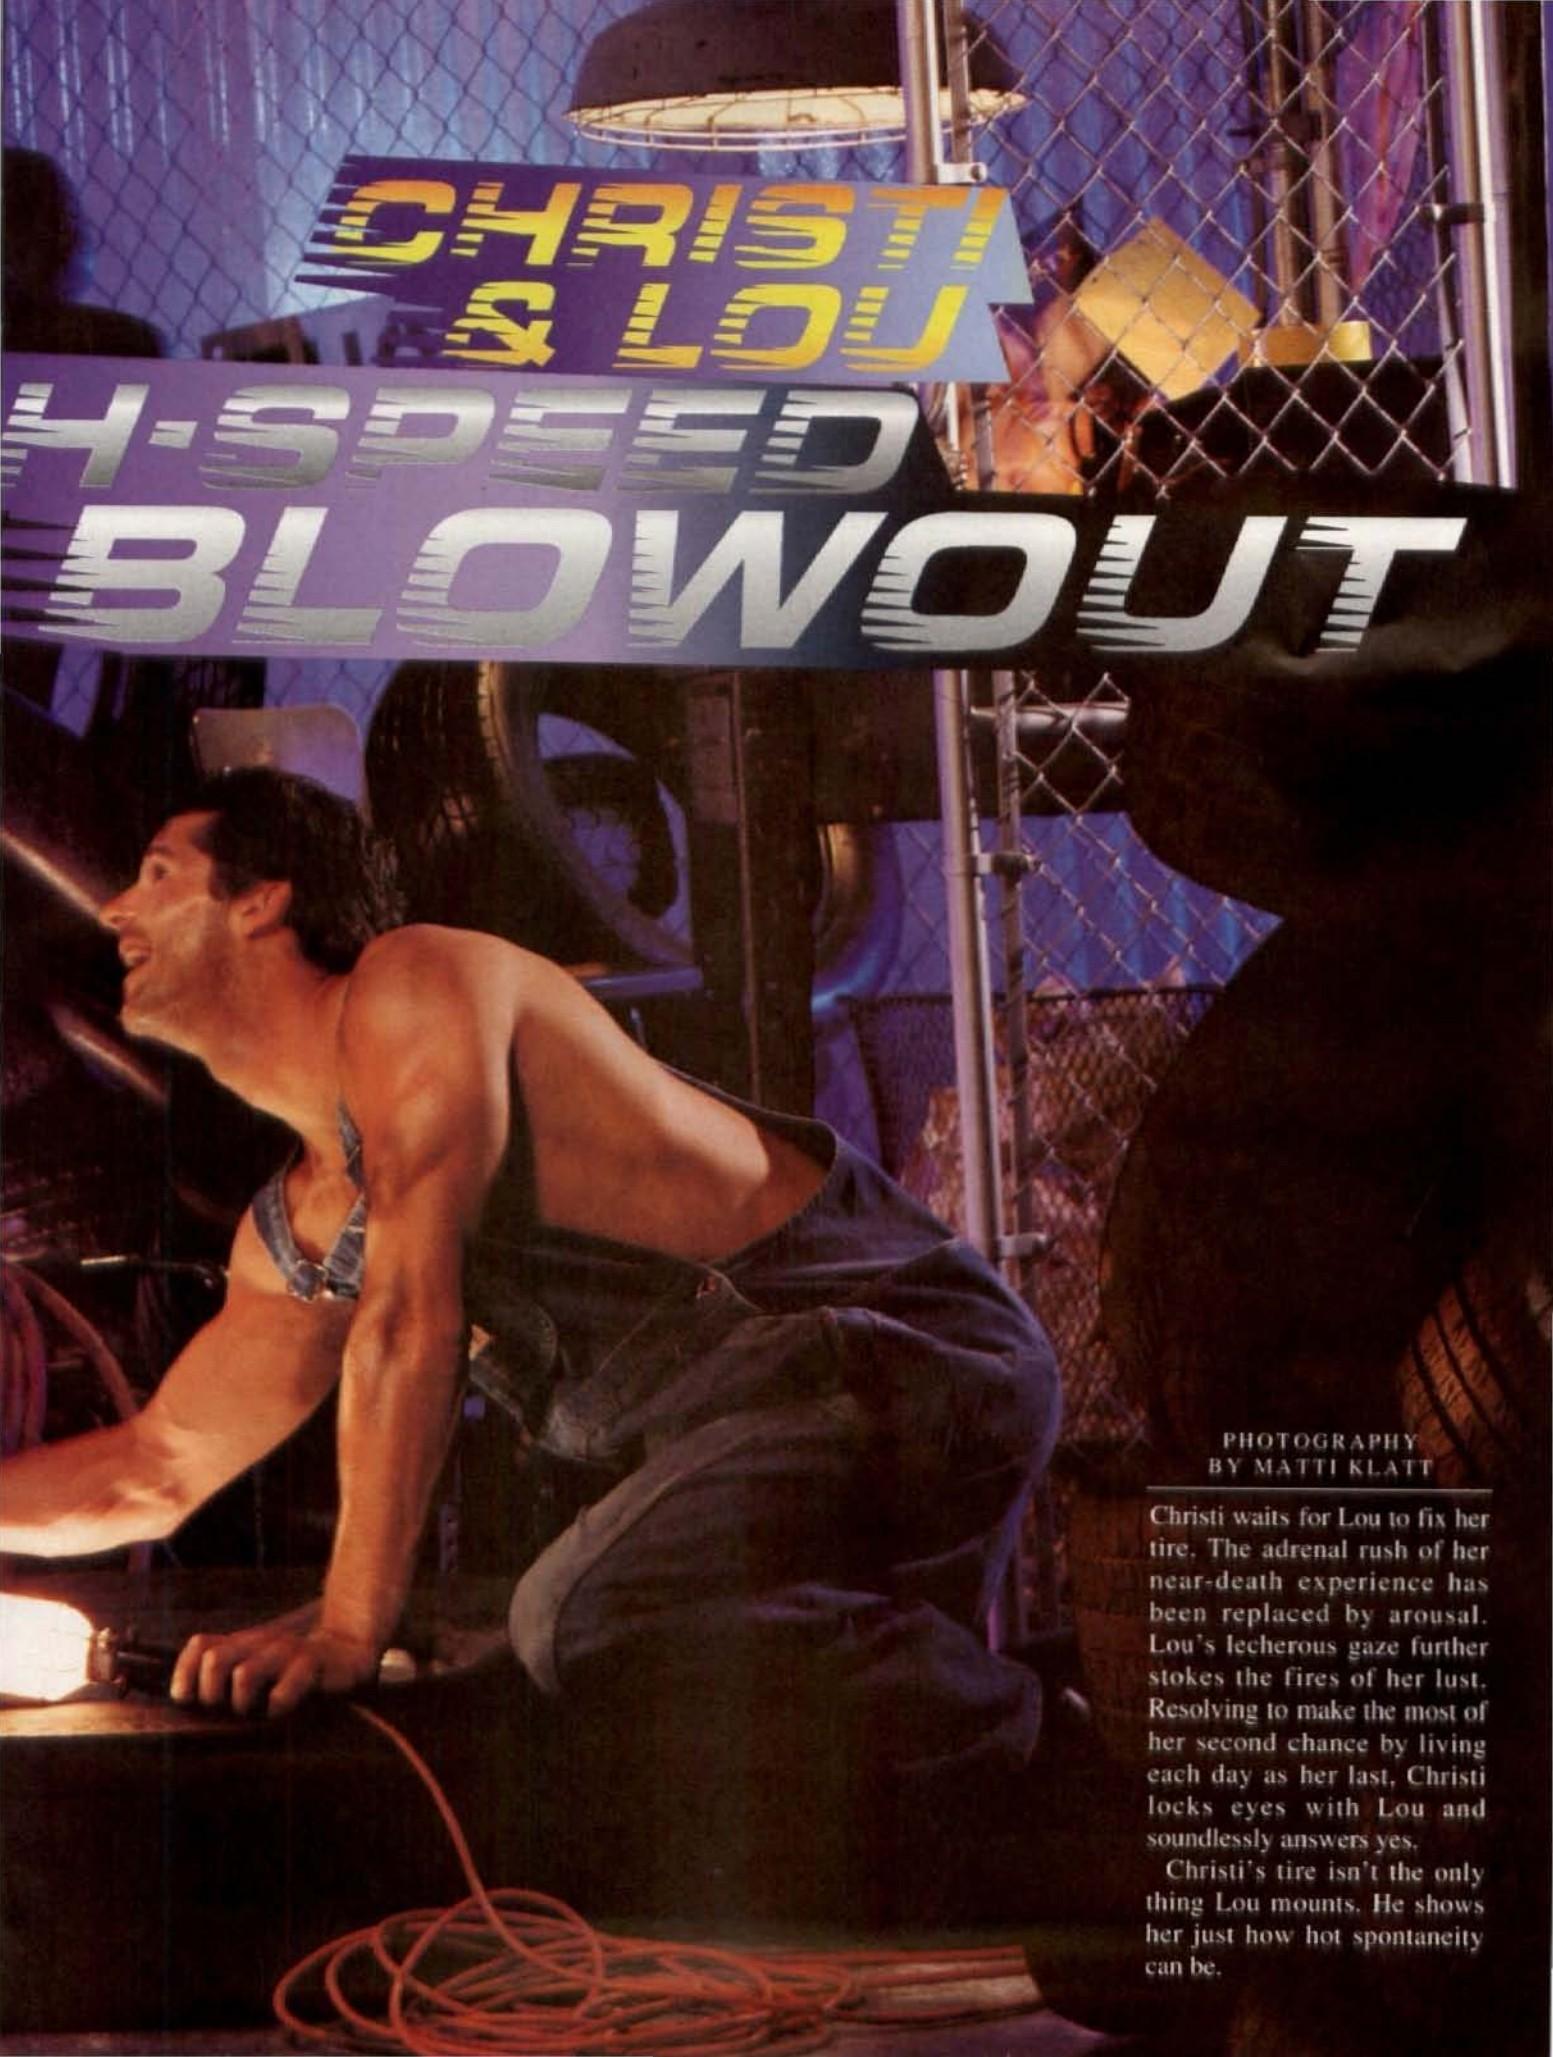

When I came to the end of Billie Sue's letter, I stopped laughing. It said, "I want to buy the costume you wore in Reading, Pennsylvania, for the 'White Wedding' song and the costume you wore in Pittsburgh for 'Love in an Elevator'—you know, the one with stars on it." I showed Christy the letter, and she realized what I did: Billie Sue had been at both shows, but hadn't come up to meet Christy at either. This was somewhat disturbing. Generally, the more avid the fan, the more excited they are to interact with the star in person.

We theorized that Billie Sue was perhaps too shy to meet Christy after the filthy letters she had written. Christy

**H-SPEED
BLOWOUT**

The background features a shirtless man (Lou) working on a car tire at night. He is leaning over the tire, which is mounted on a car. The scene is lit by artificial lights, creating strong shadows and highlights. In the foreground, there is a large, stylized title graphic.

PHOTOGRAPHY
BY MATTI KLATT

Christi waits for Lou to fix her tire. The adrenal rush of her near-death experience has been replaced by arousal. Lou's lecherous gaze further stokes the fires of her lust. Resolving to make the most of her second chance by living each day as her last, Christi locks eyes with Lou and soundlessly answers yes.

Christi's tire isn't the only thing Lou mounts. He shows her just how hot spontaneity can be.

My gut said we had just gotten our first glimpse of Billie Sue, an obsessed fan who was fast becoming a stalker. Billie Sue had once again followed Christy to a new city.

(continued from page 92)

shrugged it off and sent the costumes out at \$300 a pop. I privately decided to keep an eye out for Billie Sue in the future.

* * *

The week at the New Jersey club went smoothly until the last night of the run. When we arrived back at the hotel after Christy's final set, the front desk was holding flowers and an envelope for her. We went to her room and read the card. It said, "Loved your show. Hope to meet you soon. Your biggest fan." I didn't share my alarm with Christy, but the fact that somebody aside from the club owner and the limo driver knew where we were staying was cause for concern. The anonymous message was typed, impossible to match with any handwriting in Christy's fan mail, but I had a strong hunch about who had sent it.

With the creepy feeling from Billie Sue's letter gnawing at my gut, I told Christy that we should switch bedrooms for our last night in the hotel. She looked at me queerly, but seemed to believe me when I told her such switches were a standard precautionary measure. In fact, I was worried that the person who had found out our hotel might also have the room numbers. If the secret admirer were to try something, I wanted them to find me, not Christy.

That night, I was falling asleep when the phone rang. "Hello," I said. Silence. A

click. Probably, it was nothing, a wrong number. But that didn't help me get any sleep before we lit out early to catch our flight to New York.

* * *

In New York City, Christy was booked at a top-flight club, part of a chain of strip joints that dots the East Coast. We were greeted at the airport by a limo driver hired by the club and whisked off to a hotel in Queens. My room was located on a floor populated solely by top dancers from around the country, all in town for a run at the same club where Christy was headlining. As I carried my suitcase down the hall, all the room doors were open, music was playing, and I could hear girls laughing.

Falling asleep that night was impossible. Dancers in the adjoining room were singing the theme song to *Gilligan's Island* over and over. I called their room to ask if Ginger or Mary Anne was there. The girl who answered said, "Hey, there's not supposed to be any guys on this floor—who is this?" I told her I was the bodyguard for the feature that week—and that I was next door and couldn't sleep because they were making so much racket. She said, "We can't sleep either; why don't you come over and keep us company?"

I hung up and was about to go next door when the phone rang. It was Christy.

"Somebody is knocking on my door, and they won't tell me who it is, and I'm scared," she said.

"I'll be right over," I replied calmly. The hotel had been unable to give us our usual adjoining rooms because they were full. I cursed myself for not having been pushier.

I ran down the hallway and turned the corner. Standing at Christy's door was a large woman, about 5-10, 160 pounds, with shoulder-length, curly, black hair, wearing blue jeans and a leather jacket. She turned toward me and registered a look of recognition. This was odd. I was sure I had never seen her before. She sprinted for the stairs. I knocked on Christy's door to make sure she was okay and told her to stay inside, lock the door and call hotel security.

I raced down the stairs and ran into the lobby. The night manager was there. I asked him if he had seen a large woman come through the lobby in a big hurry. He said no. I ran back up to Christy's room to check on her again. She was fine, but asked who had knocked.

"Probably just someone who had the wrong floor," I lied. This was not some innocently confused guest. My gut said we had just gotten our first glimpse of Billie Sue, an obsessed fan who was fast becoming a stalker. Billie Sue had once again followed Christy to a new city.

Our rooms were on the second floor; so the only place besides the lobby she could have gone was the first floor. She might have had a room there. Christy and I switched rooms a second time.

* * *

The next day, Christy and I arrived at the club at seven to get ready for her nine o'clock set. We went through metal detectors at the door, where we were greeted by the manager, a man about 20% larger than I am and draped with gold jewelry. His head bouncer, an even bigger man, showed us to Christy's dressing room.

I took the music for the set to the deejay, then rejoined Christy backstage. She was talking to a former porn star who had quit the business so she could date one of the club's owners. The porn star said they had a good relationship: He only fooled around with other girls if she were present. I guess in a stripper's world, that is pretty good.

The porn stripper was drunk as she sat there chatting up Christy and seemed unaware that every time she shifted in her chair, she flashed me. She had on an unbelievably short skirt and no panties. She opened her blouse to show Christy her new breast enlargements. She had gone from a B cup to a DD. The view was pleasant, but she lost my interest when blood started

trickling down her leg and made her giggle. "I knew my period would start soon."

I decided to go check out the house. It was now 8:30, and people were streaming through the doors. A sophisticated laser show highlighted two Latina girls onstage. A third girl with short, black hair and an incredibly muscled body climbed up a 20-foot pole and spiraled down—without using her hands.

In the corner of the club, a beautiful Asian girl, who couldn't have been older than 18, stood in a clear glass booth taking a shower. Guys shoved dollar bills into a slot on the side. Inspired by a large tip, the little lovely put the shower nozzle between her legs and pulled down her bikini bottoms to expose her shaved pussy, decorated with a tattoo of a small, grinning kitten.

I went upstairs and watched from the deejay booth as Christy made her grand entrance through a cloud of piped smoke. The Commodores' "Brick House" blared from the sound system. The crowd went nuts. One guy tottered up on a chair in the first row and threw what looked like 50 one-dollar bills in the air. The scene was surreal: Christy dancing as the notes swirled and floated above the stage, hovering in the red- and gold-colored smoke.

I was about to remind the deejay to announce that Christy would be available

for Polaroids and poster signings after the show when some joker clambered up on the stage. Christy didn't see him as he drunkenly made his way toward her. No way could I get to her with the crush of people between us. I grabbed the microphone, cut the music and told the guy to clear off the stage fast or the show was canceled. The crowd yelled at the mook, and he slunk back down to the floor. I then announced that Christy was giving her panties to the man who cheered the loudest. That set the place off. Everyone was screaming, and Christy smiled up at me for putting the set back on track.

* * * *

After the gig, four local friends of Christy's took Christy and me out to a high-end lesbian club in Manhattan. Hundreds of gorgeous femmes gyrated seductively on the dance floor under a slow-flashing strobe. Christy and two of her girlfriends claimed a spot right in the middle of the dance floor. They were immediately noticed and made the most of the attention their snakelike movements attracted. I staked out a spot at the bar with a cop working security to chat and take in the scene. I was telling him about our exploits in Jersey and was just getting to the girl with the flashlight routine when I stopped mid-syllable. Across the room

and heading straight for Christy at a fast clip was the woman from the hotel—the woman I was now sure to be Billie Sue.

Stomping through a sea of drugged-out, dancing women, she would have been hard to miss, but there was something else: She was dressed up in Christy's "White Wedding" stage costume.

It's funny, the things you notice in stressful moments. I thought of how lousy the big broad looked in Christy's outfit: heavy and boxy with a thick waist. Not very pretty either. As these thoughts flashed through my head, Billie Sue stumbled to within six feet of Christy, who was too involved in her dancing to notice anything. I shot across the floor, pushing and shoving through about 50 annoyed lesbos. As I approached, under the unearthly light of the strobe, I saw Billie Sue reach into the cheap vinyl bag on her arm.

I grabbed her bicep to pull her away and was shocked when she broke free easily and took off through the crowd. The security cop had pinned the situation pretty fast and was flanking me on the right. I yelled to him over the music to stay and keep an eye on Christy—that I'd be right back. Truth is, I didn't know when I'd be back or where I was going, but I knew I had to track this weird, frightening woman.

Attention, ladies! The 1997 Beaver Hunt Grand Prize Competition is looking for you! Snap a clear, color picture and mail it to HUSTLER Beaver Hunt, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets \$250 and a chance at the 1997 Grand Prize—a photo-feature worth \$5,000. Grand Prize Finalists win \$1,500 each. The award for the photographer of the Grand Prize Winner is \$500, and the Finalists' photographers win \$250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

Melanie, a 25-year-old artist, enjoys watching horror movies, gardening and shopping. Swimming naked with Mel Gibson in Hawaii would be her dream come true. Riverside, California, is where she hangs her hat, and apparently her dress too.

When Belle's not defending America against the tyranny of the New World Order, she's busy molding and shaping young minds as a teacher. This 39-year-old Santa Fe, New Mexico, native fantasizes about eating out a girl as her boyfriend fucks her. We hear Belle's class is one of the best-behaved in the Southwest.

Photo by Boyfriend

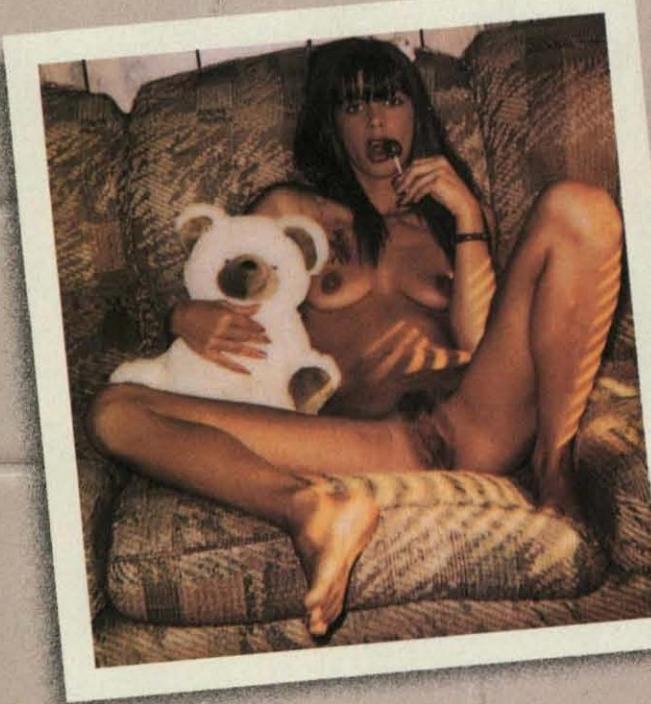

Valon is a restaurant manager from Omaha, Nebraska. Camping, bowling and billiards are this 25-year-old's hobbies. Her fantasies include bondage and exhibitionism; so being in *Beaver Hunt* is right up her alley.

Photo by Friend

Destiny is a 23-year-old dancer from Tennessee. She spends much of her free time with her hobbies of "giving head and orgies." She has a fantasy about eating another woman's pussy while her husband fucks her in the ass. Her husband must be thrilled with his Destiny.

Everybody likes sweets once in a while. This Candy is a 25-year-old from Atlanta, Georgia. She's a dancer who really enjoys swimming, working out, tennis and horseback riding. She dreams about someday joining the Mile High Club. Which would you rather have on your next flight, peanuts or Candy?

Photo by Friend

Photo by Husband

Alexis, from Gainesville, Florida, confesses to enjoy masturbating while her boyfriend watches. This 26-year-old beauty works in jewelry sales and dreams of having sex on a public beach. Her hobbies include tanning, diving, fast cars and nude modeling.

Photo by Boyfriend

Miss Dixie is a 27-year-old exotic dancer hailing from Austin, Texas. This many-pierced performance artist also works as the lead dominatrix in bondage shows. Photo by Friend

This svelte little number is Anna from Sweden. The 22-year-old likes to swim, read, act and model. She tells us that her fantasy is a secret, but that she's a wild one and open to suggestions. Think hard; Anna does.

Kelli is an entertainer from Riverside, California. She engages in all sorts of outdoor activities, from snow skiing to hunting to hiking. As evidenced by her rocking 29-year-old physique, there are probably some indoor activities Kelli enjoys as well.

Photo by Friend

Tracey, a 34-year-old chambermaid from Saylorsburg, Pennsylvania, proves that the great outdoors can always be made a little bit greater. She enjoys rock climbing, dancing and baking. She'd like to get seduced by a tall, dark-haired woman on a dance floor so she can show off her moves.

Photo by Husband

Paige is a resident of Baltimore, Maryland. This 25-year-old's hobbies are in-line skating, football and partying. She fantasizes about having sex outside in the rain in public. Paige, rain and sex sounds like a recipe for adventure.

Photo by Friend

Sporting the latest in winter gear is 38-year-old Phyllis from Huntsville, Alabama. She's a graphic technician with a penchant for sex, hunting and weight training. Her fantasy is to have her husband and two or three studs give her a hot-oil massage before giving her a real workout.

Photo by Husband

Mona is a nurse from Los Angeles, California. The 21-year-old's hobbies are photography, doll collecting and giving her man lots of loving. Among her fantasies, she lists breaking in young boys and being watched. Anyone developing a condition that Mona could cure?

Photo by Boyfriend

"Yes, your penis can be enlarged, because two-thirds of your penis is made up of muscle tissue known as corpus cavernosum. This tissue is expansive due to the lacunar spaces. The vacuum pump method for penis enlargement uses a process medically referred to as hyperemia. When the airtight vacuum pump cylinder is placed around your penis, blood rushes into the muscle portion of your penis. The muscle tissue expands to the maximum, breaks down and then rebuilds into larger and stronger muscles, similar to bodybuilding."

UNUSUAL SEX PRACTICES

An Encyclopedia on Video Of Deviant Sexual Acts From A to Z
from ANALISM to MASOCHISM to ZOOERASTY

THE ABSENCE OF PHOTOGRAPHS ON THIS AD IS STRICTLY INTENTIONAL.

100% UNBELIEVABLE... BUT 100% TRUE!

This is the first time a program of this type has been offered to the general public. This is a comprehensive documentary on the dark, hidden "closet" of human sexuality and "forbidden" erotica. Things that were long suppressed, explicitly "taboo," are now revealed in graphic, uncensored detail, in a presentation that touches on every facet of so-called "abnormal" sexual behaviors. Subjects such as: Bondage; Ritual Sex; Body Modification; Incest; Cross dressing; Fetishism; Zooerasty; Bizarre Sex Practices, and dozens more! It is not our desire to offend the casual viewer, nor discourage those who have a genuine interest in expanding their knowledge.

Here are sample comments by some who have seen this videotape.
"I had always thought that some of this [subject matter] was disgusting, but after seeing UNUSUAL SEX PRACTICES, I realize that it's just another aspect of human nature."

Dale S., Memphis, TN

"It's unbelievable that women have had intercourse with [certain like that], I kept thinking about it for days after I saw your tape." - Claire D., Philadelphia, PA
"Seeing the chapter on [redacted] really provided me with some enlightenment, and helped me understand my own experiences as an abused child."

- Denise D., Albuquerque, NM

"I thought I was unshockable! Then I came to the part on the syndrome known as ALGOLAGNIA. Do people really do things like that?"

- Robert M., Chicago, IL

ENLARGE YOUR PENIS TO ITS MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

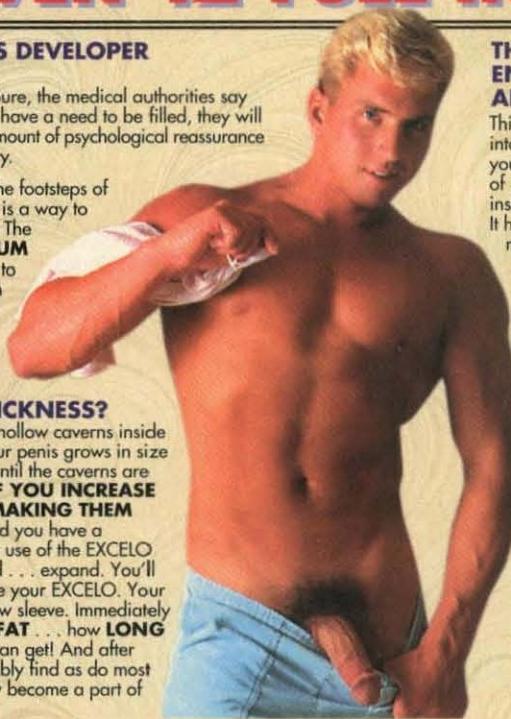

THE EXCELO IS THE ONLY PENIS DEVELOPER YOU WILL EVER NEED!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE AND THICKNESS!** The device is call the **EXCELO ELECTRIC VACUUM ENLARGER**. A safe and proven natural way to add inches to penis length and thickness. With the EXCELO, you will see yourself grow to dimensions you never thought possible.

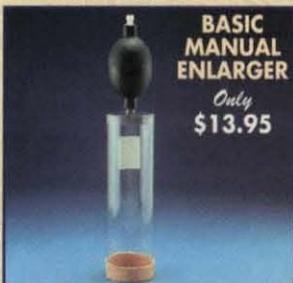

HOW CAN THE EXCELO ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. **BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD** and you have a correspondingly longer, thicker penis. Regular use of the EXCELO gently urges the caverns to expand . . . expand . . . expand. You'll see the astonishing results the first time you use your EXCELO. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG** . . . how really **FAT** . . . how **LONG** . . . how **HARD** and **STIFF** your own penis can get! And after regular sessions with the EXCELO you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

Real Life

(continued from page 76)

Loon knew anything useful. But it was good. An adventure.

"Every day I wake up, I feel alive," Loon said, then reached out and took the last smoke from Ned's pack. "Thankful some motherfucker hasn't offed me."

"What do you do?" Ned asked. "I mean, you don't mind my asking."

"I'm a fucking thief, bro," Loon said, lighting the cigarette.

"Like cars, what?" Ned asked, trying to sound casual, feeling a new layer added to his story.

Loon smoked the cigarette for a full half minute, deep in contemplation. Then he dropped it, half smoked, to the floor, where it joined the others in a neat grouping. "You're out of cigarettes, bro."

"Fuck it; smoking's bad for you anyway," Ned said. "So what do you steal, exactly?"

"I take people out, steal all their shit," Loon said.

"What? Like how?"

Loon didn't answer, rather he moved quickly, jabbing out with a right-handed punch that knocked Ned off his chair. An instant later, Loon was up and around the table, laying his boot into Ned's side. Each blow cracked ribs, setting up a new string of internal injuries.

Ned, too shocked to even roll into a

ball, turned over with the force of the blows, moaning. He went numb across his chest as Loon's steel-toed boot shattered a length of vertebrae. Finally, Loon jumped up a good foot and a half and came down with the heel of his boot on the front of Ned's skull.

"Oh, man, you fucked him up," Winston said. "Fucked him up good."

"Just get the fucking wallet, the keys, all that shit," Loon said, breathing hard. "And wrap him in something."

"Yeah, man, whatever."

"We'll do his house tonight," Loon said, taking another sip of beer.

"Oh, man, look at that; fucking brains and shit leaking out," Winston said, toeing the gray pulp with the tip of his sneaker. "Jean Anne, come on, check this shit out."

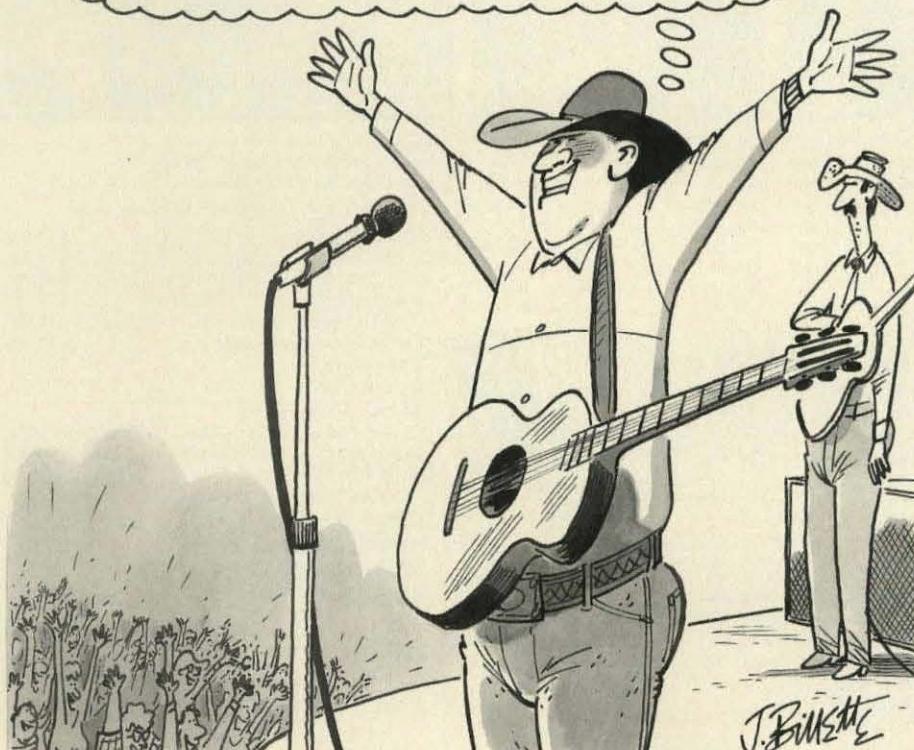

Jean Anne appeared in the door and surveyed the damage. She was wearing a kimono, the belt knotted at her waist, revealing a swatch of skin from her stomach up to between her breasts. "Oh, that's nice, lovely, really."

"We'll dump him out by the highway," Loon said. "Put an eighth ounce of that crank in his pockets."

Loon kicked the limp body hard one last time and asked, "This real enough for you, motherfucker?"

THANKS FOR MAKING ME 'RICHER THAN GOD,
YOU GULLIBLE, GAP-TOOTHED SHITKICKERS!

Canyon

(continued from page 108)

And she was fast. Billie Sue split out the exit and into a cab. By some miracle, we'd lucked into a decent parking spot for our rental car; so I jumped in and took off after the cab. I'd always figured those movie car chases could never really happen, but I found myself doing a pretty good Bruce Willis impersonation as we bobbed and weaved through late-night Manhattan traffic.

It couldn't last. I lost them at the interchange to the Long Island Expressway, where the cab could go in any of four directions. I was now halfway back to Queens, where Billie Sue was probably checked in at our hotel. We were within striking distance of the club where I'd just left Christy in the hands of some cop I didn't know. Where was Billie Sue headed? I had to make a decision fast.

On instinct, I made for Queens and the hotel. I figured, even if Billie Sue headed back to the club for Christy, the cop should be able to handle it.

I arrived at the hotel, and all was quiet. No cabs. No excitement in the lobby. Nothing. I hauled myself up to my room. It had been an hour since I'd seen Christy happily dancing away at the club; a half hour since I'd lost Billie Sue in traffic. I checked for any phone messages—there were none. The place was utterly at peace. Suddenly I realized how exhausted I was. We'd done a good deal of drinking at the club, and it had been a long week. I decided to lie prone for a few minutes and think over everything that had gone down.

Maybe the stalker was just some homely, fat girl, someone who had idolized Christy and was too shy to talk to her. Maybe the stocky chick in the "White Wedding" drag wasn't the writer of the Billie Sue letters after all. Perhaps I'd been too quick to connect them.

I called the club. The bartender told me my party had just left for the evening, without incident. They'd be back at the hotel within the hour.

I got up to use the bathroom and wash my face before Christy returned. As I reached for the bathroom-light switch, my shoe slipped a little on the wet floor. Who the hell has been in here using my shower?

Switching the lights on, I saw that no one had been using my shower. I was standing on the blood-drenched skirt of Christy's "White Wedding" outfit. Inside it, crumpled over in a heap, was Billie Sue, dead. A handgun lay nearby. Blood was still oozing across the tile floor. Billie Sue's skirt had flopped up on impact, exposing a sad, flaccid penis.

TIFFANY

PHOTOGRAPHY BY CLIVE McLEAN

Tiffany is very comfortable in her territory. Slowly, she draws her prey into her clutches. The boys next door have been spying on her for weeks, peering through a hole in the fence. As her mating dance progresses, so does their interest. She hears their labored breathing and feels their eyes devouring her.

Foolish minnows. They don't know it is already too late for them.

MAKE YOUR OWN PENIS BIGGER than **HUGE!**

A NEW LOW PRICE FOR A PENIS
ENLARGEMENT & ERECTION BUILDING SYSTEM!

It's impossible to fail when using the HYPER-PUMP! It's the easiest way yet to LENGTHEN, FATTEN & STIFFEN your penis to new startling proportions! See photos below.

**HAVE ERECT MEASUREMENTS OF 9, 10, YES!
EVEN 12 FULL INCHES!**

HOW TO BUILD A GIANT PENIS

If you've wanted to be the man that amazes women . . . the envy of other men because of their massive male organ . . . if you've ever craved a long, curving penis that hangs down beyond your balls along your thigh, there's only one sure-fire way to achieve your desires! Millions of men know how huge their penis can be thanks to regular use of vacuum development. And now, at a reasonable cost you can share this exciting experience!

NEW HYPER-PUMP TAKES YOUR PENIS TO A NEW DIMENSION!

On your first use of the new HYPER-PUMP you'll watch your penis expand in thickness until the skin is stretched tight and your veins are vividly exposed! You'll watch in astonishment as your organ stretches out further . . . and further than you've ever imagined it could. You'll

see right away, without any doubt, that despite its low cost, the HYPER-PUMPS really work . . . and work fast to make your penis incredibly bigger!

COST SO MUCH LESS THAN OTHER PUMPS! WORKS BETTER TOO!

You may have seen deluxe pumps costing \$50 . . . \$75 . . . \$100 . . . even as much as \$300! The fact is all pumps work on the same principle so why pay more for expensive advertising! The HYPER-PUMPS were designed for men who want fast, first-class results for a reasonable price. They are engineered for ease of use, with the fewest possible parts (nothing to break or wear out), light in weight, but exceptionally durable. And best of all the regular model HYPER-PUMP costs only \$14.50! Or you may order the SLIM-JIM or deluxe ELECTRIC models for just a little more!

Nearly 5 million sold!

WHAT MEN ARE SAYING ABOUT THE HYPER-PUMP

"My hard-on is inches longer than usual from use of your new pump. It never fails to amaze me."
"I watch my penis fatten up until it's glued to the sides of the pump. I never guessed I could get that big."
"I like how easy it is to use. Feels natural to use with the squeeze bulb right handy on top."
"Have used HYPER for a month with stupendous results. Thank you for a well made machine." These are just sample comments. Let us know about your experiences with the HYPER-PUMP.

The only complete penis enlargement system that includes step-by-step instructional video and magazine used successfully for 25 years with more than 10 million satisfied customers.

* The soft, small penis is only about 3 inches.

* The penis is now about 5 inches, about 40% of his maximum potential.

* The penis is about 9 inches or about 80% of his maximum potential.

* The penis is removed from the pump and is now a full 12 inches.

Here is why our complete penis enlargement system works where others fail.

A complete penis enlargement system should include an instructional video and magazine. The easy to follow step-by-step instructions shows you how to use the penis vacuum pump. You will see how other men succeed so you can be successful with your penis pump.

Our deluxe super vacuum pump creates more vacuum than any penis pump available anywhere at any price. It is the vacuum that is created in the clear cylinder that expands and enlarges your penis thicker, harder and longer than you ever dreamed possible.

There are 3 other pumps available from mail order dealers that do not create the vacuum you need to be successful.

1. The squeeze bulb pump - a small inexpensive foreign import that uses a little bulb you squeeze but does not create enough vacuum to enlarge the penis.

2. Pump and prolong ring combination - This type of pump does not create enough vacuum to enlarge the penis. A hard plastic ring is squeezed on the penis to try to maintain a semi-erect penis. The ring can actually restrict blood flow to the penis.

3. The electric pump-various models sell for about \$35 to \$100. This is a converted fish tank aquarium pump that has been changed to suck air instead of blowing bubbles. A small motor that gives you vibrations and massaging but does not create enough vacuum to enlarge the penis. To be successful you need our 'made in the U.S.A.' deluxe super pump with the extra long 10 inch remote plunger piston assembly.

Men report enlargement up to 9, 10, and even 12 inches is possible. Watch your penis grow thicker, fatter, stiffer and longer when you use the world's largest selling penis enlargement system sold directly to you from the manufacturer.

"My name is John West. I'm an actor in adult movies. Thanks for making the most fantastic pump I've ever used. Your pump and only your pump gives me the erection I need, when I need it. I really enjoy those extra inches and the girls in my movies really love my thicker, stiffer, longer penis. The pump is so good I never need a prolong ring or cock ring to stay hard as long as I want."

Do not accept any substitutes. This is the original complete penis enlargement system. Successful results for 25 years with more than 10 million satisfied customers!

HUSTLER®

HOT PINK

June's HUSTLER opens fire with a stripped-down, juiced-up horde of dripping Honeys in heat. A five-chick/two-dick beach-ballng blowout whips up towering waves of foam; a golden-haired, blue-eyed cum goddess gets her rocks off climbing and offers a panoramic view of her wondrous, pink peaks; two horny hikers kindle a fire by rubbing their snatchs together; a big-boobed babe bottoms out, high on her spiked heels; a blonde does a solo slow burn; and a shocking redhead sticks a wet finger into her own hot socket. In June, all red-blooded devils will grow a horn: HUSTLER's heavenly bodies are hotter than hell.

BURNING RUBBER

Every man longs for a woman who's always ready to fuck, never talks back, doesn't want jewelry or clothes and won't press charges if you stomp on her and stuff her in a closet. The miracle of science has made that dream flesh. Or flesh-colored at least. In *My Beautiful Balloon: Testing the '97 Model Blow-Up Sex Dolls*, correspondent Calvin Moore journeys deep into the valleys of the dolls to put the latest high-tech plastic pussy through a grueling choad test.

MELTDOWN UP NORTH

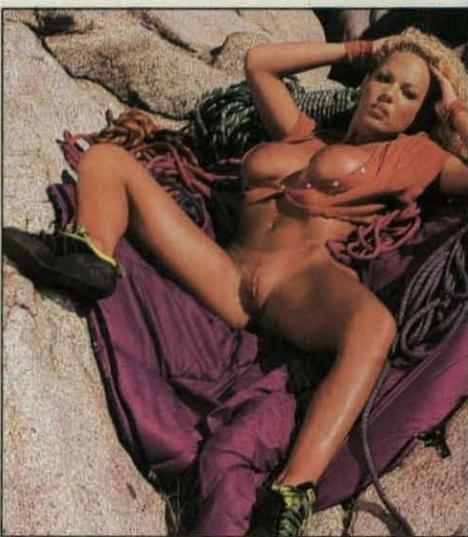

The Cold War was a power-drunk party for nuclear-arms manufacturers. Now that it's the sober morning after, no one wants to clean up the mess. In *Nuclear Skeletons in the Closet*, Gregory Dicum explores Hanford, Washington, a 5,600-square-mile dead zone in the midst of the green Northwest, filled with aging nuclear-waste storage tanks that no one knows how to empty, enormous, radioactive buildings, 2,000 tons of unsecured reactor fuel and ten tons of plutonium, some of it already lurking in the groundwater. The Cold War may be over, but the nuclear threat is just warming up.

PLAYING WITH FIRE

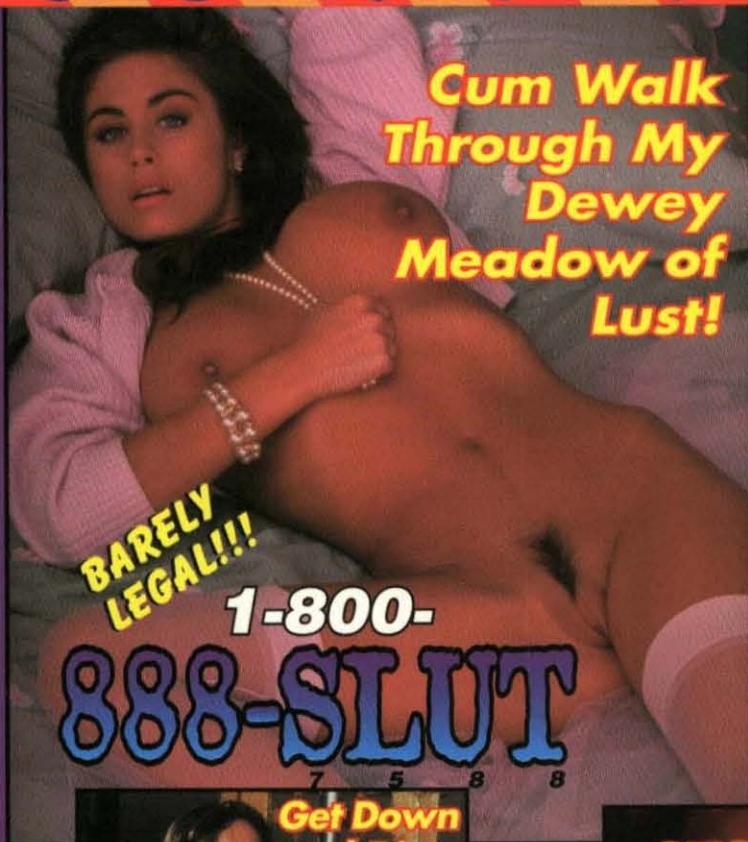

Every now and then, even the most housebroken monogamist catches a whiff of wild tail and wanders off the straight and narrow. In June's *Sex Play*, senior correspondent Alex Marvel shows how far you can follow your dick without getting your balls in the wringer in "Is Eating Cheating?: A Committed Man's Guide to Getting Off Clean." *Bits & Pieces* fans the flames of the Ebonics controversy, *Erotic Entertainment* samples the hard stuff for crack addicts with smoking pipes, and *Beaver Hunt* blazes a trail in search of burning bushes. June's HUSTLER lights the fuse. Heads up. There's fire in the hole.
